Dear Parents and Carers

Welcome and thank you for considering enrolment at Catherine McAuley College Bendigo.

At Catherine McAuley College Bendigo we are dedicated to developing students who are independent, adaptable, critical and creative thinkers, with a passion for lifelong learning and striving for excellence. We support students to learn to work together, plan in teams and develop the skills to be self-motivated in the pursuit of knowledge in a contemporary world. Our graduates reflect the Mercy values of Justice, Compassion, Courage, Hospitality, Respect and Service.

We are committed to offering on-campus experiences together with engaging and informative online resources to support students and their families. We encourage you to take these opportunities to visit our College and consider it as the school of first choice for your child. We would like to support your child to choose their pathway to success, as valued members of the Catherine McAuley College Bendigo community.

We are Opening Our Doors in March and April. Come and see for yourself what Catherine McAuley College Bendigo has to offer your child. Book to attend one of our Learning Walks and Discovery Days.

These Learning Walks and Discovery Days replace our annual Open Day for 2026, so that families can see our classrooms in action and prospective students can have an immersive taste of what student life at our college is like. The flyer below contains further information about these events.
