Marist 6A 14 def. Iona 0

Player of the Match: Jack Mannix

Marist 6A produced one of their most complete performances of the season, defeating Iona 14-0 in a match where the final scoreline failed to reflect their overall dominance.

From the opening whistle, Marist controlled possession, territory, and tempo. Directed superbly around the park by the two generals, Jack Mannix and Lachie Mitchell, the forwards consistently laid a strong platform and allowed the side to play the expansive brand of rugby that has become a hallmark of the team.

Despite creating numerous scoring opportunities in the first half, Marist were repeatedly denied by desperate and determined Iona defence. The home side held firm, ensuring the teams went to the break locked at 0-0 despite Marist's territorial advantage.

To their credit, Marist remained patient and committed to playing Marist Rugby. Rather than forcing the issue, they trusted their systems and were eventually rewarded when captain Jack Mannix crossed for the opening try. Eddie Leyden calmly added the conversion to give Marist a deserved 7-0 lead.

The match was effectively sealed following a superb passage of play that saw Marist use the full width of the field. Quick hands and excellent support play created space for Luca Bryant to finish in the corner. From a difficult position, Eddie Leyden once again converted superbly to extend the lead to 14-0.

While Marist were unable to fully convert their dominance into points, the most pleasing aspect of the performance was the team's ability to maintain its structure and shape for the entire 50 minutes. The players remained disciplined, patient, and committed to playing an attractive, team-first style of rugby.

The "Pillars of Power", Will Barden and Hawk Williams, were outstanding throughout, providing relentless go-forward and playing the entire match without a break. Hugh Southward combined his strength and running ability to consistently trouble the Iona defence, while Felix Katter worked tirelessly at the breakdown, disrupting opposition ball and winning valuable possession.

Eddie Leyden was a constant attacking threat and looked capable of scoring on multiple occasions, with only desperate last-ditch defence preventing him from crossing the line. Out wide, both Luca Bryant and Henry Wilton found plenty of space and created numerous opportunities, although Iona's cover defence repeatedly rose to the challenge.

Overall, it was an excellent all-round team performance and a fitting reward for the hard work the boys have put in throughout the season. The challenge now is to carry this form and confidence into the final game of the year and finish the season on a high.

6B

6B's had an amazing performance defeating the 6B Villanova team 94-0. The entire team had a brilliant performance, excelling at their teamwork and mindset to never give up. The boys should be also be commended as they had a tough loss to them in the Preseason 20-0. Congratulations 6Bs! On to Padua!

6C vs 6D

Marist 6C and Marist 6D played out an exciting 29-29 draw in a match filled with intensity, skill, and determination from both sides. Neither team was able to gain a decisive advantage as momentum swung throughout the contest. Strong attacking play and resilient defence were on display across the field, with both teams responding whenever challenged. The evenly matched encounter remained in the balance until the final whistle, with the draw a fair reflection of a hard-fought and entertaining game between two committed sides.

5A

Marist 5A returned to the winner's circle with a strong 45-21 victory, producing an outstanding team performance built on determination and teamwork.

After a couple of tough results in recent weeks, the boys responded brilliantly, showing plenty of character and grit to earn a well-deserved win. Our ball control was excellent throughout the game, allowing us to build pressure through multiple phases and create opportunities out wide. The reward was several well-worked tries scored on the wing.

The team worked hard for one another in both attack and defence, with every player contributing to the result. It was pleasing to see the boys stick to what we've been working on at training and play with confidence and patience.

Well done, gentlemen. One more game remains this season. Let's take this momentum into next week and finish the year on a positive note.

5B

This was far more one-sided than the already emphatic scoreline suggests. For the first half, Padua only touched the ball to kick off after we scored. The second half was rather scrappy, and it meant that we struggled to get into a flow until the final few minutes.

We ran in some superb tries with Hamish Stuttard claiming his second brace in a row. There were also fine scores from Hunter Brooks, Parker Brennan and George Jarrett. Perhaps the score of the game came from Henry Hart, who caught the ball from a restart and went over without being touched to wrap up the game.

We look forward to our last match of the season next week. Hopefully we can do what we need to do to win the Premiership.

5C

MCA 5C went down 24–12 against MCA 5D in a tough game. The boys got off to a great start, scoring a try in the opening few minutes and bringing plenty of energy early in the match.

Even though the result didn't go our way, the team kept a good attitude the whole game and continued to work hard for each other. There were strong efforts all across the field, with everyone sticking at it and competing right until the end.

At times we maybe expected things to come a bit easier, but credit to the boys for staying positive and continuing to put in effort throughout the game. There were still plenty of good moments and a lot to build on heading into the next match.

A big shoutout to Lachie Hughes, who earned Man of the Match for his strong all-round game and great attitude all day. He worked hard in both attack and defence and set a good example for the team.

Overall, it was a solid effort from the boys despite the result, and there are definitely positives to take away from the game.

5D

The 5D boys put together a strong performance in their match against MCA 5C, earning a deserved 24–12 win. From the opening whistle, the team showed plenty of enthusiasm and commitment, with players communicating well and supporting each other across the field. Their ability to move the ball through the hands and use the width of the field was a highlight. MOTM goes to Nick Rush for his awesome contribution and strong performance throughout the game. Congratulations to all the boys for a great game.

5E

The mighty 5E boys put in an outstanding team performance against Padua 5C, coming away with a convincing 82–7 victory. The energy, teamwork, and support shown throughout the game were excellent, with every player contributing and displaying great skill and determination. It was fantastic to see the hard work from training and practice come to life on the field. Special mention to MOTM, Archie Elstrob for his super attacking skills and runs throughout the game. Well done to all the boys for a fabulous game!
