Around the Grounds

6A
The 6As suffered their first defeat of the AIC season succumbing to a resilient SPC team. After a dubious offside decision went against Marist early in the game it set the tone for the rest of the match. The bounce of the ball just didn't go our way with a handful of chances narrowly missing. St Pat's scored just before half time against the run of play. After continuous pressure from the Marist boys St Pat's held firm and the score remained 1-0.

6B

The 6B's enjoyed another win on the weekend against St Patrick's College. With 5 different goal scorers, the boys worked well as a team. Whilst all the goals were celebrated and welcome, none more so than Conal Heenan's midfield screamer and Abe Patrick's perfectly executed header. Our captain of the match, Isaac Walters, challenged the boys at halftime not to waste possession by giving the ball away, but to make our passes count, and the boys returned in the second half and did just that. With a little more commitment in winning the ball and a greater focus on accurate passes, the boys continued to add to their goal count, finishing the game 6-1. A beautiful save from keeper Isaac Nicholson, kept the opposition from adding to their score. Player of the match goes to Conal Heenan for his accurate and well-timed passing and beautiful midfield goal and Fynn Hall for his two assists and dribbling the ball on multiple occasions through a number of opponents. Fynn had a great second half. Fingers crossed we continue our winning streak this coming week.

6C

An excellent effort by the whole team in the 6C win against Pat's on the weekend. With the score 1-1 at halftime, we discussed the importance of having players following in after shots on goal to clean up any rebounds/errors from the opposition goalie and looking for our teammates and not holding onto the ball for too long. Listening and acting on this discussion, the lads scored three great goals in the second half to win 4-1. Charlie Brown had a great game and was instrumental in getting the ball down to our strikers with some pin-point accurate passes down the line. James Phelan was brilliant at the CDM position working hard stealing the ball in defence and backing up in attack. And Preston Ryder was excellent in goal in the first half and sent some great crosses to the players up front when he moved out to the midfield.

6 Gold

A good team effort by the 6 Gold team this week, even though they had a loss. Two nil down at half time (after a lucky first goal from the opposition courtesy of a double deflection) the half-time talk focused on controlling the controllables (i.e. whilst they cannot control everything that happens on the field - they CAN control their reaction/s to it). The boys went out focused and put up a great fight back to win the second half 2-1. Tom DiSipio hustled the entire game sending some great passes to teammates in attack. Cooper Lewis worked really hard when playing in the midfield and had an excellent effort in goal in the second half. And Louis Fornazaric had another strong game tackling hard and helping to move the ball forward.

6 White

6 White played an amazing game displaying true Marist spirit. With Laurie's short of players, the young Marist boys stepped up to play with the opposition team to make numbers even. Although the teams were even, the Marist boys still won 5-2.

5A

A well-deserved win as the team maintained sustained threats in attack and players shone with individual footwork but most importantly by working together to create chances. Although Patrick's tried to play direct football it was great to see the boys win their 1v1 duels in all areas of the field. It was the best defensive game they have played yet, with massive goal-line saves and clearances from the goalkeeper and players. Our attacks were strong with more creative free kicks from the boys, and an incredible goal from the sidelines to seal the 2-0 win.

5B

The first half of the game this week was played extremely well by both sides. Ball passing was top-notch, and the transition from defensive to attack improved noticeably. With a 3-2 victory, the boys showed their tenacity and stayed true to themselves. They played beautiful football.

5C

The Marist 5Cs should be proud of their exceptional display of soccer prowess, demonstrating their dominance on the field and earning a well-deserved 10-0 victory. This vehement win not only highlights their exceptional skill and teamwork but also serves as a statement to their competitors that they are a force to be reckoned with and the team to beat.

Right from the beginning of the match, the 5Cs showcased an exceptional blend of skill and dominance. The synergy and seamless passing among the Marist players left the St. Pat's defenders chasing shadows, and it wasn't long before Lucas Crowley broke through, demonstrating the true capabilities of his goal-scoring expertise. Seb Kaminski quickly rivalled Lucas' performance, finding the net 2 more times in the succeeding 4 minutes. With the scoreline already heavily in their favour, Marist remained relentless in their pursuit of victory for the remainder of the half. Exceptional back-line defence from Oliver Scott, Harrison Heisel and Eli Nipperess left the St. Pat's offence without answers. A seemingly impenetrable wall, they shut down any attempt the opposition made, keeping the opponents off the scoreboard.

The second half witnessed no let-up in Marist's attacking flair. In the opening minute, Oli left an indelible mark on the game with a skilful goal, adding to the growing tally. However, he decided he wasn't quite finished, scoring another beauty just a minute later. Seb, again displaying his remarkable agility and ball control, notched two more goals in the 23rd and 27th minutes, leaving the St. Pat's goalkeeper grasping at thin air. Seb, displaying remarkable agility and precision, he notched two more goals in the 36th and 37th minutes, leaving the St. Peters goalkeeper again grasping at thin air.

With the outcome already beyond doubt, Gun Cooter, the ever-standout performer, put the nail in the coffin. With an emphatic hattrick, he transformed the field into his personal stage of brilliance. The relentless onslaught and pure dominance over their opponents left the opposition overwhelmed and helpless on the field. A very impressive performance all round from the young Marist men and we look forward to seeing if we can continue this on the weekend!

5 Gold

The 5 Gold football team continued to face strong opposition in the St Patrick's attack last Saturday, losing their round of competition convincingly by a margin of 11 goals. Disappointingly, most of the match was fought towards the opposition's goal end, placing tremendous pressure on our defenders. Whilst the boys have worked hard to develop their skills, they are missing the intensity and motivation to work as a collective. This will be the focus of training this week. Special mention to Josh Bany who faced incredible pressure as a goalie and managed to save countless goals. Congratulations is also extended to Mac Walker who managed to make a couple of solid breaks down the line.

5 White
