BILLABONG RANCH SCHOOL CAMPS

Experience the adventure of a lifetime at Billabong Ranch School Camp! Nestled in Echuca farmland, our camp offers an unforgettable blend of thrilling activities and educational opportunities. Whether it's pedal boating, flying through the air on bungee trampolines, horseback riding through scenic trails, or conquering the low ropes course, students will engage in a variety of exciting challenges designed to build confidence, teamwork, social connections, resilience and leadership skills.

Fire Twirling

At Billabong Ranch, we believe in learning through adventure. Our camp programs can be crafted to align with educational standards, ensuring that every activity not only engages but also enriches the minds of young learners. Students will gain valuable knowledge and skills that extend beyond the classroom, all while having the time of their lives in a safe and supportive environment.

Teachers can collaborate with the camp's staff to tailor activities that align with their specific educational

Bungee Trampolines

goals, whether it's through team-building exercises, history-based activities, or adventure-based learning.

Our camp environment encourages students to step out of their comfort zones and build confidence. Majority of our activities are supervised by Billabong staff so teachers can focus on student engagement and development.
