

Metropolitan North Regional Trials

The following Met Nth trials are being held across Term 1. Please note that **these are representative trials** and not for students to 'have a go' at the sport. Students wishing to trial must be well acquainted with the rules and playing positions whilst also already playing at a club or school level for a number of years in the highest teams for their age.

Regional selection trial notices (Term 1)

Thurs 31-Mar: [Australian football 10-12 boys](#), [Basketball 10-12 boys & girls](#)

If your child would like to trial for any of these sports, please contact Ms Rebecca Clydesdale on rcllydesdale@clayfield.qld.edu.au to collect the student information and nomination pack. These packs are usually available a number of weeks prior to the event and each week this list will be updated. All forms must be completed by the student's parents and returned to the College to be signed and stamped. This must be completed prior to the event, not on the day of an event.

Please note that the College is only an access point for our students and most information or queries about these events is best directed to the staff at the Metropolitan North office either via phone or through their email system.
