

Beaumaris Secondary College

> Year 9 & 10 2025 Parent Payments

Dear Parents/Guardians,

We are looking forward to a great year of teaching and learning at Beaumaris Secondary College and would like to advise you of the college's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Beaumaris Secondary College and School Council make every effort to keep the cost of items and activities to a minimum and affordable for all parents, by reviewing costs on an annual basis.

The monumental financial support from our parents has allowed us to build/install/purchase:

- Equipment to run a wide range of specialism subjects and curriculum experiences
- Micro-credentials week activities
- Curtains and lighting bar installation for Theatre Studies
- Geography weather metres for Environmental Studies
- Photography equipment for Create
- Sustainable food composter for Food Technology
- Digital Blood pressure monitors for BEST
- ECG sensor for BEST
- Class Set of Gel Electrophoresis Machines for BEST

- Student Leaders Conference to develop leadership skills
- Music scores and equipment
- Year 11 Big Day Out to promote year level connections
- Service our aquarium in BEST allowing students to study the ecosystem in real time
- Build a sanctuary for our stick insects allowing students to study them in their natural environment as well as feed/care for them
- BEST machine sets demonstrating directional force and mechanical advantage
- Portable PA system for school concerts and soirees

For further information on the Department's Parent Payments Policy, please refer to the one-page document at the end of this booklet.

Yours sincerely,

Debby Chaves Principal

Steve Pearce School Council President

Handy Tips & Tricks

Chip away at your Contributions as you please!
You can access your Compass App at anytime to see what's been paid, and choose to pay more if required.

Keep all your Events and Contributions in one spot. No need to jump between multiple programs and paper forms - it's all in Compass!

Manage your own Payment History in-app, without having to call up the Admin Office! Automated emails and downloadable statements make it even easier to know what's been paid.

REFUND POLICY

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis.

Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred. This applies in all circumstances including illness with a medical certificate.

Any refund requests must be made in writing.

Advice regarding refunds will be provided once all suppliers have been paid and reconciliations have been completed. Please note that this could take approximately 30 days.

Approval and review

Beaumaris Secondary College Council has approved this policy and will review the policy in line with any future changes to Government policy and Beaumaris College objectives annually.

REVIEW CYCLE

This policy was last approved by school council in April 2024 and is scheduled for review in April 2025.

PARENT PAYMENTS POLICY ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Voluntary financial
contributions for
curriculum items and
activities which the school
deems necessary for
students to learn the
Curriculum.

Contributions Voluntary financial contributions for noncurriculum items and activities that relate to the school's functions and objectives.

Other

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

 Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
