

Warm Welcome to Warrandyte High School

UNDER NEW MANAGEMENT

My name is Rachel Lynch. At the start of Term 3 I commenced as the newly appointed Principal at Warrandyte High School. With over 17 years' experience in education and leadership, I bring a refreshed and renewed energy to the school and wider community.

Fully immersing myself in daily life at Warrandyte, I have been spending my days getting to know the students and staff at the school while setting the foundations to bring Warrandyte High School to life again. With a **\$3.4 million refurbishment** about to commence in the Arts Precinct, I am keen to harness the creative spirit of the Warrandyte community and plan on enhancing the connections with

local artists and the school.

Our Sports Academies in both Basketball and Aussie Rules will continue for many years to come, and this, combined with our **Arts precinct**, serve to cater for a wide variety of students. My vision is to work closely with our staff to ensure students at Warrandyte High School thrive through driving excellence in teaching and learning, particularly in the areas of literacy and numeracy while promoting a culture of high expectations.

I make a strong commitment to our local community that each student who completes their education at Warrandyte High School will be well-prepared for life in the 21st century, will have the best opportunities to realise their full potential and will develop the personal skills and qualities to see them become outstanding members of the Warrandyte and wider community. Join me on **Tuesday October 11** at our inaugural 'Warrandyte High School Community Event' where you can meet me in person and hear more about my vision for our school and our future plans.
