NOT HAT NO PLAY

As a sun safe measure ASPIRE OSHC requires all children and staff to wear a Cancer Council approved hat during high UV periods. In addition, and as required by the Cancer Council and WHS legislation we monitor the UV Index daily to ensure we take all reasonable precautions to protect children and staff from over exposure to the sun.

ALLERGY AWARENESS

On enrolment, you are required to advise staff if your child has an allergy and identify the allergy on the enrolment form. To ensure we are able to take best care of your child we ask that you also provide information as to the triggers and symptoms of your child's allergy. All efforts will be made by staff to avoid such triggers. All ASPIRE OSHC services are "Nut Free" environments. Children are not allowed to bring nuts of any type into our services. The sharing of food is also not allowed.

ARRIVALS AND DEPARTURES

You are required to sign your children in and out of the service each day recording arrival and departure time. For safety purposes, it is important that staff are informed of your child's arrival and departure daily.
