**Website** [Visit school site](#)

**Region** North West

# Enrolment Process:

**Students applying for placement at Melbourne Girls' College will be enrolled in the following priority order:**

1. Students for whom the school is the designated neighbourhood school.
2. Students with a sibling at the same permanent residence who are attending the school at the same time.
3. 50% of places remaining after criteria 1 and 2 will be allocated to students seeking enrolment on specific curriculum grounds which are the study of Science, Technology, Engineering, Art and Mathematics – S.T.E.A.M.
4. Remaining places will be allocated to students in order of closeness of their permanent residence to Melbourne Girls' College.

In exceptional circumstances, a student may be enrolled in a school based on compassionate grounds. This is an overarching consideration and does not form part of the priority order of placement. Families who wish to apply for compassionate grounds may do so during the appeal process, outlined in the [Year 6 to Year 7 Enrolment Timetable for 2021](#). Families should provide any relevant documentation along with their compassionate grounds appeal and address this appeal to Stephanie Valencia, Year 7 Enrolment Officer at [junior\\_enrol@mgc.vic.edu.au](mailto:junior_enrol@mgc.vic.edu.au).

## If MGC is not your designated neighbourhood school

- Friday, May 29 – Return your Application Form to your Primary School (Government schools) or MGC directly (Independent/Catholic schools): Attention: [junior\\_enrolment@mgc.vic.edu.au](mailto:junior_enrolment@mgc.vic.edu.au) . MGC must be listed as the first preference
- Tuesday June 23 – Students will be invited to attend the virtual MGC Additional Information Session
  - Students will respond to four questions relating to STEAM
  - Applicants whose surnames are between A & K will attend from: 4.00pm–5.00pm; L & Z: 5.00pm–6.00pm
- The criteria for assessment are:
  - Demonstrates capability and interest in at least one of the following areas - Science, Technology, Engineering, Art and Mathematics
  - Demonstrates authentic student voice
  - Uses clear examples from the students' own learning to support statements made in response to the questions
- A selection panel, made up of four members of MGC staff, rank the responses based on the criteria above.
