Water Safety Week!

Next Week is Water Safety Week!

We are lucky enough to be visiting the Largs Bay Swim Centre on Monday, Tuesday, Wednesday and Thursday in Week 7

This will be a fun experience filled with learning, as we learn about how to be safe around and in the water.

Water Safety Week – The morning

At the start of the day, make sure you wear your bathers/swimwear underneath your school uniform. This is so you can change quickly when you arrive at the Swim Centre – this means more time in the pool!

Your bathers/swimwear must also cover the top half of your body.

Water Safety Week – The morning

Bring a swimming bag and make sure you bring a **towel** and **underwear** to change into.

You can also bring goggles and a plastic bag to put your wet swimwear/bathers in.

Water Safety Week – The start

We will be getting on a bus to travel to the Swim Centre.

Make sure you follow teacher and staff instructions carefully.

When we arrive, we will need to follow the swimming instructor's instructions.

We do not run at the Swim Centre.

We follow the Swim Centre's rules.

Water Safety Week – Changerooms

If you need to go to the toilet, let your swimming instructor know, and let a staff member know. The staff member will walk to the changeroom/toilet with you.

When you finish your lesson, use your towel to dry yourself, then change quickly into your underwear and school uniform. If you bring a plastic bag, then you can put your wet towel, bathers/swimwear in there.

Water Safety Week – After

When you get home, make sure you help to unpack your wet things so they can be hung up to dry. That way, your bathers and towel are dry for the next day.

Water Safety Week

The most important rules to remember is to:

- Be safe
- Listen carefully to instructions
- Follow the rules
- Have fun!
