Wellbeing Procedures

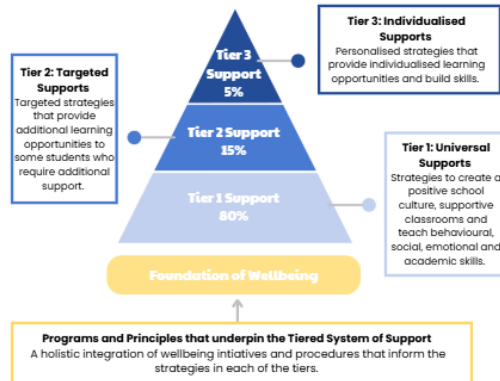

6

What is the tiered system of support?

The three-tiered support system is a flexible and dynamic framework that recognises that students have varying needs that may evolve over time. The system is adaptable, allowing students to move between tiers as their needs change. Whether requiring more intensive assistance or benefiting from a reduced level of support, our approach ensures that each student receives the right level of help to thrive.

Below is a summary of our universal (school-wide), targeted, and individual levels of support:

Parent Involvement Sub-Committees

- Parent & Friends Association - Community Events & Fundraising
 - Education Sub-Committee
 - Buildings and Grounds Sub-Committee
 - Finance Sub-Committee (School Council Members Only)
 - OSHC Sub-Committee
 - Reconciliation Action Plan Group (RAP)
 - Spanish Sub Committee
 - School Council
