### News from Deakin University

#### ➤ **Studying Health Sciences at Deakin**

*Study health sciences and help improve people's health and wellbeing. With so many careers in health sciences you'll be in demand – right now there's huge government investment in the sector, which means there's a real opportunity to make a difference. Now is your chance to become a healthcare expert and change lives for the better.*

The Health Sector is Australia's fastest growing sector, and the Bachelor of Health Sciences at Deakin prepares students for a career in -

- disability services
- health education
- international aid
- sport marketing
- nutrition

The Bachelor of Health Sciences offers students over 12 specialised [majors](#), and students may opt to specialise in two. On completion, students may choose to go on to further postgraduate study in a number of fields, including -

- ✓ [Master of Public Health](#)
- ✓ [Master of Health Promotion](#)
- ✓ [Master of Health Economics](#)
- ✓ [Master of Health and Human Services Management](#)
- ✓ [Master of Human Nutrition](#)
- ✓ [Master of Dietetics](#)
- ✓ [Master of Social Work](#)

Learn more by browsing [Health Sciences at Deakin](#).

### ➤ **The Future of Cyber Security**

*Cybercrime is an increasing problem in our digitally connected world. The rapid growth of cybercrime has created unparalleled opportunities for those with cyber security expertise, with jobs in the Database & Systems Administrators & ICT Security sector predicted to increase by 38.9% by November 2026 according to Australian Government data.*

Job roles in this specialised field of IT include - information security officer, security administrator, cyber security consultant, cyber security analyst, penetration tester and many others.

Many industries are realising the importance of cyber security, and a degree in cyber security can lead to employment in diverse areas across private and government sectors. Deakin's courses are industry-specific, so students graduate with up-to-date knowledge of the issues important to the industry – like implementing security technologies to protect against hackers or developing IT security solutions. Students can undertake an internship and complete industry cyber security certifications as part of their course. This means they can stand out to future employers and be ready to take advantage of the significant increase in jobs in the field.

### ➤ **The Difference between Financial Planning, Finance, and Accounting**

Financial planning, finance and accounting are all offered as majors in the [Bachelor of Commerce](#) at Deakin. When choosing between these options, it is important to fully understand where each course leads.

#### **What is financial planning?**

Financial Planning is a pathway to becoming an accredited financial planner. Financial planners help people devise a plan to achieve financial security and meet financial goals.

As well as developing strategies and recommendations, financial planners act as life coaches, educators, and mentors.

It's a profession that combines an interest in finance and investing together, with a love of working with people and while a level of numeracy skill is required, interpersonal skills are the primary focus. Graduates work in small and large financial planning organisations or set up their own practice.

#### **What is finance?**

Finance specialists have an in-depth understanding of the structure and operations of financial markets in Australia. They typically work within large organisations at the corporate level in roles such as treasury, project funding, investment banking, financial analysis utilising their strong numeracy and analytical skills. Careers in finance allow graduates to work across industries and provide specialised advice to aid complex business decision-making.

#### **What is accounting?**

Accounting is a pathway to becoming an accredited accountant. Businesses and individuals rely on accountants to assess their financial situation and advise on financial dealings. Graduates work with organisations compiling, analysing, verifying and preparing financial records. Strong numeracy and analytical

skills are required for this role and, depending on the size and type of organisation, accountants may work with clients or solely with internal stakeholders within a business.

## Essendon Education Academy

*Essendon Education Academy and RMIT University offers a unique qualification perfect for the sport enthusiast. It provides students with access to elite high-performance facilities and key industry experts in the area of sports and entertainment.*

Hosted at the NEC Hangar, home of the Essendon Football Club, students will undertake a dual Diploma of Business and Diploma of Leadership and Management in a one-year full-time program.

Throughout the full-time program, participants will build a network and develop connections in the sport industry as they complete 100 hours of real-life work experience across Essendon's various departments and partner network.

Entry requirements are successful completion of an Australian Year 12 or equivalent certificate (including VCE, VCAL or VCE VM).

Find out more at [Essendon Education Academy](#).

## Holmesglen-Saints Sports Program

*St Kilda and Holmesglen are giving students the chance to kick off their career in the sports industry. Studying with Holmesglen and the Saints offers unprecedented access to the inner workings of an elite sporting environment.*

The Holmesglen-Saints Sports Program offers the [Diploma of Sport with Diploma of Event Management](#) at Holmesglen's Moorabbin Campus. This is a one-year course, and the weekly timetable features a combination of classroom-based learning, split between Holmesglen's Moorabbin campus and the Saints' club facilities, plus one day of integrated activities. There is a dedicated focus on turning theory into practice, and students gain real-life experience at the AFL club, and assist with junior clinics, community development programs and even match-day experiences.

Holmesglen Institute is hosting at **Holmesglen-Saints Sports Program Open Day** on 15 June 2023, at 6.30pm – 7.30pm at RSEA Park. Register at [Open Days | Melbourne TAFE Courses & Degrees](#).

## Early Offer Program

**Open to domestic and PR students only.**

**Requirements: Year 12 pass, meet VCE prerequisites and essential entry requirements, and ATAR required**

*Secure your place at Federation University in 2024. Finishing high school can be stressful, so why not give yourself peace of mind with Federation University's Early Offer Program?*

*Not only is an early offer exciting to receive but knowing that you have already secured a place in a degree means you can head into exams fully focused.*

Most bachelor degrees are available for early offers, and to view courses accepting Early Offer applications [click here](#). Australian and PR students are eligible to apply, and must ensure they meet the prerequisite subjects for their preferred course.

Applications are open and close in December 2023. **Students must also make a VTAC application. Find out more and apply at [Early Offer Program](#).**

## VU Guaranteed: Victoria University's Early Entry Program

**Open to domestic and onshore international students**

**Requirements: Year 12 pass^^**

*Guarantee your place at Victoria University (VU) or VU Polytechnic, prior to completing Year 12.*

*Students can apply for VU Guaranteed (VUG) if you are a Victorian Year 11 or Year 12 student studying VCE, school assessed (unscored VCE), VCE Major and IB.*

Successful VUG applicants can enjoy:

- a guaranteed place at VU or VU Polytechnic
- free access to EdUnlimited practice exams, topic quizzes and study notes
- 5 bonus aggregate ATAR points for most courses that consider an ATAR as part of the admission criteria\*
- tailored advice and a personalised course plan once results are released

\*Excluding the Bachelor of Education (P-12)

**Note^^:** Students will still need to satisfy the admission requirements/prerequisites for the courses they preference in VTAC. Students who do not meet the admission requirements, will be guaranteed a place in an alternative course designed to help them achieve their goals. Therefore, the course offer students receive will be based on their course applications/preferences and on study scores + other admission requirements etc.

Students without an English study score, or a score below 20 for example, will not be offered a higher education course (university), and would instead receive a course plan with TAFE course options.

Applications are now open and close on 6 October 2023. **Students must also make a VTAC application. Applications have now opened online at [Victoria University's Early Entry Program](#).**

## Studying at the Melbourne Cricket Academy (MCEA)

*Start your career in sport with the Melbourne Cricket Education Academy (MCEA).*

Launched in October 2022, and the first of its kind in Australian cricket, MCEA students are based at Cricket Victoria in the CitiPower Centre at Junction Oval in St. Kilda. ## Allied Health Careers

There are many types of allied health professionals, including **dietitians, physiotherapists, podiatrists, speech pathologists and psychologists**. Doctors, nurses and dentists (and other oral health professionals) are not allied health professionals. Some allied health specialisations are detailed below.

### ➤ **Audiology**

Audiology is a health care profession involved in assessing, managing and rehabilitating **hearing loss** and **balance disorders**. So, audiologists are responsible for the non-medical management and rehabilitation of hearing loss and associated disorders of communication. Audiology is a rapidly growing profession and qualified audiologists are in high demand both locally and internationally. To become an audiologist students usually have to study a biomedicine, biological science, health science or a related field at university, followed by a postgraduate qualification in audiology. In Victoria, two universities offer a Master of Clinical Audiology:

- [La Trobe University – Master of Clinical Audiology](#)
- [University of Melbourne – Master of Clinical Audiology](#)

### ➤ **Orthoptics**

Orthoptists are **eye care professionals**. They specialise in detecting, diagnosing and treating **vision and eye disorders**. To become an orthoptist, a student usually has to study orthoptic or ophthalmic science at university.

In Victoria, La Trobe University offers the [Bachelor of Orthoptics \(Honours\)](#).

### ➤ **Podiatry**

Podiatrists look after the **health of people's feet** by diagnosing, treating, and preventing foot abnormalities, and educating the public about good foot health. Undergraduate courses in podiatry are offered by two universities in Victoria:

- [Charles Sturt University – Bachelor of Podiatric Medicine](#)  
[La Trobe University – Bachelor of Podiatry \(Honours\)](#)
