Term 4 2026

Welcome to Term 4! We hope you enjoyed a wonderful break and are feeling refreshed for the term ahead.

We look forward to a busy and enjoyable final term, filled with opportunities for our students to learn and grow.

Reminder:

We encourage students to come to school with a positive attitude, ready to learn, try their best and show kindness to others. We will continue to focus on using kind words, listening respectfully, including others and offering help when needed. By practising empathy and celebrating each other's efforts, we can help everyone feel welcome, valued and supported in our classroom.

Key Curriculum Areas

English

We have begun our Ancient Rome unit, exploring the region's geography, the legend of Romulus and Remus, and Roman gods and goddesses. Throughout the term, students will learn about daily life in the Roman Republic, significant historical events and key figures such as Julius Caesar, Cleopatra and Augustus. This unit will provide opportunities to build vocabulary, develop reading comprehension and discuss new ideas.

Mathematics

This term in Mathematics, students are learning to collect, display and interpret data, describe locations and use directions, and identify the features of three-dimensional objects. They are also exploring probability through everyday examples, learning to describe and compare how likely events are to happen.

Religion

In religion, we will continue learning about different faiths, develop an understanding of respect for the beliefs and traditions of others. We will then explore social justice, considering why it matters and how we can live out our Catholic faith through fairness, compassion and care for those in need.

Special dates:

Italian Day – Monday the 19th of October

Our Italian Day will be held on Monday the 19th of October, with an Ancient Rome theme! Students will enjoy a range of fun activities and are encouraged to dress up in an outfit inspired by Ancient Rome.

Year 3/4 Prayer Service – Wednesday 21 October

Our Year 3/4 Prayer Service will be held on Wednesday 21 October at 2:40 pm. We warmly invite parents and carers to join us for this special time of prayer and reflection. We would love to see you there!

Year 3/4 Yellow assembly - Friday the 13th of November

$\frac{3}{4}$ Yellow will be hosting our afternoon assembly on Friday the 13th of November at 2:40pm. We warmly invite parents and carers to join us. It will be a lovely opportunity to celebrate our students and their learning.

Thank you for your ongoing support and for working with us to make our classroom a positive and caring place to learn. We appreciate the encouragement you give your children and the ways you help them grow in confidence, kindness and independence.

We look forward to a wonderful Term 4 together, filled with new learning, shared achievements and special memories as we celebrate the final term of the year.
