Congratulations to the team for their performance this weekend, it was a strong, confident performance that displayed their skills and abilities.

The game began with wonderful passing from the boys as Henry Tracey scored his first goal of three in the game, followed by two more throughout the first half. Special shoutout to Daniel who played through an unfortunate ball to the head which broke his glasses and left a nick. Daniel would go on to score a wonderful long shot into the bottom right corner. As the boys went into half time 3-0 up, it didn't look like they were going to stop as they continued to pepper the goalkeeper with shots as more goals continued to be scored. Henry Tracey would grab two more to complete his hat trick and Harvey would score two long range goals to come close as well.

A wonderful performance from the boys to win 7-0, enjoy the week and onto the next game!

What a performance from 6 Gold!

A massive result and a win that had everyone on their feet. From the first whistle, the backline was a wall — composed, commanding, and giving the opposition absolutely nothing to work with. Leo Clifford and Raph Pennisi were sensational in midfield, their consistent and dominant pressure suffocating the opposition all game long. Case Purcell was simply unstoppable, firing home two stunning long-range goals that left everyone speechless. This team played for each other every single minute, and it showed.

Marist 5As secured a strong 3-0 victory over ATC after a hard-fought contest. The first half finished 0-0 despite Marist applying consistent attacking pressure, with the ATC goalkeeper producing several excellent saves to keep his side in the game.

The breakthrough came early in the second half when Harrison found the back of the net with a superb long-range strike. ATC made it difficult for Marist to create clear chances despite controlling possession and territory. Marist remained patient and added two more goals to seal a comfortable 3-0 win. Given the dominance throughout the match and the number of opportunities created, the scoreline could easily have been even greater.

There was some trepidation from the boys when they found out we were playing a B team. "A B team?!" they said. And an away game too. My response "I have full confidence in the team". And they didn't let me down.

What a dominant performance!

From the start of the game till the end, we controlled the distribution of the ball, made some great passes and excellent finishes. As always the boys treated the opposition with respect too. A special mention to our magic keeper Will "Dibu" Kneebone. It's not easy when your team dominates the game and you don't have much to do. It's easy to lose concentration. The ATC boys struggled to pass our strong defence. But they had one shot, and what a shot! But there he was, "Dibu" Kneebone with a now trademark spectacular dive to save the clean sheet. As I was walking to my car one of the ATC boys was telling his dad "Did you see that dive from their keeper?!". Well done Will and well done boys!

A great effort from the boys today coming away with a hard fought 3-2 victory. It was an awesome match against their fellow Marist boys, working together to create numerous chances. Their keeper put on a display, keeping us down to 3 goals but that was enough to secure the win. Strong defensive efforts and some class saves by Oliver, also backed up our attacking efforts

5 Gold

On Saturday, the 5 Gold Marist team faced off against our 5 Blue comrades. Gold set the pace early, scoring their only goal of the match, but the Blue team showed strong resilience in both defence and attack, eventually taking control of the game. Although Gold went down 5-1, there were clear signs of determination throughout. Theo Sly, Teddy Hendry, and Archie Lawrie all displayed consistent effort, while Tom McKenzie earned Man of the Match honours for his outstanding all-round performance, contributing effectively in both attack and defence. The team will continue focusing on improving their passing, field positioning, and tackling skills during training this week.
