School Communication

There are a number of ways information is communicated to our community. The bulk of our communication including newsletters, excursion forms and specific school wide information is sent via email to both parents/carers of each child. The email will appear in your inbox from *forms@edsmart.com* Please check to make sure the emails are not in your junk folder.

See below examples of different email notifications with clickable links to view attachments and forms in light blue:

Newsletters

Newsletters are emailed via EdSmart three times per term on Thursdays - weeks 1, 5 and 10 (week 11 in term 1).

Please make sure that you keep up to date with our Greenwith news as it contains recounts of events and learning written by students, upcoming dates and important school information along with some general community notices and much more.
