Resource Fees

Annual Fee

Years 5 & 6	\$600.00
Years 7 – 12	\$500.00

A Resource Fee is charged to provide Information Communications Technology (ICT) to enhance the boys' overall teaching and learning. With five full time staff, the ICT department supports over 1300 devices. They also support data projectors in all classrooms, the College website, software development, ICT infrastructure, and computers for every teaching and support staff member. The Resource Fee includes copyright and printing fees.

PLD computers issued to students must be treated with care and returned in the same condition they were received. Should any students misuse or lose a PLD, a \$100.00 per incident excess will be added to their following Term fees.

Billings & Payments

Tuition fee statements are emailed out before the start of each term. Payment can be made via Bpay from a bank account or BPoint from a credit card over the internet. To further facilitate payment, a standing authority for the College to charge a credit card may be completed, allowing the College to effect payment on the due dates. The College currently does not impose a surcharge on payment via credit card. Credit cards accepted: Visa & MasterCard. Payment is due at the start of the term unless other arrangements have been made with the Finance Office. The College policy is to pursue all fees outstanding, including any costs incurred in the debt recovery process.

Sibling Discount

When more than one son attends St Pius X, the following discounts apply to the tuition fee component only: 2nd son – 15%; 3rd son - 25%, 4th son - 50%.

Withdrawal

One term's notice, *in writing*, must be given for a student's withdrawal. In the absence of such notice, the equivalent of a full term's fees plus GST will be charged.

Fee Discounts

The College assumes that you appreciate the importance of the payment of school fees. The College is not in a position to offer discounts other than sibling discounts. Our fee structure for such a large and well-resourced College is relatively low by the standards of most Catholic and Independent schools. It is a condition of enrolment that all financial obligations are honoured.
