The Lost Hero (Heroes of Olympus, 1) by Rick Riordan

Jason wakes up on a school bus with no memory and his 'supposed' friends. He is told about the gods and how they are real. But even though this sounds ludicrous, he still feels it is very familiar. As he crosses the world with his friends, each of them needs to fight themselves and their past to succeed.

I would recommend this book because it is an amazing, descriptive, immersive story, and it is part of an amazing series.
