

Year 11 & 12 Engineering Showcase

Join ECU School of Engineering for an inspiring showcase created for Year 11 and Year 12 students who are interested in studying engineering. Meet our academics, course coordinators, current students, alumni, and student clubs and discover what makes studying engineering at ECU exciting.

Event highlights

- Explore a wide range of engineering courses
- Learn how ECU prepares you for diverse real-world careers with strong industry connections
- Discover scholarships and different pathways
- Experience guided lab tours
