

BUILDING FUND

Creating innovative learning spaces

We are very excited about our next building project.

'The Pavilion'

Its design and position will allow multiply uses and experiences.

External decking and seating will give

views over the sporting grounds

and an internal studio space will accommodate

dance, aerobics, yoga & meditation

It will be a special MGSC place for our students and could be available for out of hours hire by the wider community.

MGSC is funding the construction with a planned completion date of late 2023.

At the end of the financial year we invite our community to make a donation to our Building Fund that will directly support this project.

Donations are tax deductible
