*Supporting the
Local Community*

In The Beginning.....

The requirement for an operational service club within the boundaries of Corio Norlane had been a long time in waiting.

Successful Lions Clubs have been operating in both Geelong and Lara for over forty years and members of the Lions Club of Lara felt it was time to sponsor a new thriving Club to fill the gap.

New members were sought from holding promotional days at the Corio Village Shopping Centre, seeking expressions of interest from the local community. After many interviews, the Branch was formed and registered in 2011.

The new Club hit the ground running, setting itself ambitious goals by providing project support to existing organisations and was pro-active by establishing a computer recycling programme and now operates a recycling bicycle programme amongst many other projects.

The Club, after just 5 years of operation and being one of seventy clubs in our District, was awarded the status of the District 201V2 'Premier Club' in 2016-17 for showing community leadership, innovation and offering progressive Lionism to members with fun and fulfillment.

The new Club is continuing to be pro-active while continually moving forward reflecting community values of the day while making a valuable contribution to the local community.

What is a Lion.....

Lions members are people of all ages, occupations and interests. We are non-sectarian and non-political.

As a member, you can choose the activities and committees that you wish to be involved with and have every opportunity to develop your leadership and organisational skills. We are about social interaction and most of all, we have fun.

Through Lions, we get to meet people from a range of backgrounds with a wide variety of interests and abilities.

Join us today

Joining a new organisation can be daunting, but don't worry; with Lions you can participate at a level that suits your lifestyle.

We work to a principle of family comes first followed by work commitments and some of your spare time you consider giving to Lions.

We look forward to seeing you soon!
