COMBO SESSIONS 4-12 year olds

Combo Day Session Times - 9:00AM-3:30PM. For safety reasons and to ensure we meet the needs of the children, only 1:3 Support is available in excursion settings. Children are required to be able to stay with the group, to be able to participate at each location for the time specified and be able to follow direction well. We require children to have attended in-gym sessions before joining us for the Combo Days and Full Day Excursions. Bus departs from and returns to We Rock The Spectrum Moorabbin - children are to be dropped off and collected from the centre. COMBO DAYS allow the children to have the best of both worlds - a half day play in the gym as well as half day community excursion, travelling by mini-bus. An out-of-pocket activity cost is required per excursion. This is the cost associated with entry to or participation in the activity that is not covered by NDIS and that anyone attending or participating in the activity, would be required to pay. We have tried our best to keep this to a minimum where possible.
