Free Eye Tests

Covered through

Medicare

Haven't had your child's eyes checked in a while?

- According to the Optometry Association of Australia, every person should get their eyes checked at least once every two to three years.
- At least 1 in every 6 students have vision issues that go undetected.
- All students are given a detailed report at the end of their eye tests.
- Find out if your child's eyes are in good condition!
