

On Thursday the 14th of May parkhill primary took place in the hiburgh district cross country at Jells park. Parkhill took about 80 students. Out of the hiburgh district parkhill came first. About 20 students made it to the next round which is division. The Jells park track was very tricky. My favourite part of district was cheering with the other student when they ran past the finish line very tired and puffed out. Overall parkhill did a awesome job and we are very proud.
Thank you.
