Around the Grounds

6A

Started the game well, reading the play and being composed in the first quarter set the tone for the rest of the game, SLC moved the ball around the ground well, leaving MCA boys a bit behind in the contest. Once we changed up to a pressure game we found our feet, fast clearances from centre bounce and stoppages opened the game up for Marist. Great game of football boys against a very competitive team, well done."

6B

After coming up against this team 2 weeks ago and coming away with the win in that game, the boys were full of confidence and that showed on the field, everything went to plan.

On ball pressure was remarkable, contested ball in the air was a massive improvement resulting in a number of marks within goal kicking distance, gusty wind reflected on the scoreboard with a number of behinds scored that well could have been 6 pointers. Once again great effort from the tall boys to bring the ball to ground for the smalls to work their magic. This team has come together and are playing spectacular football, well done lads.

6C

On the weekend our team earned a great win, with Liam Carman standing out as the best player on the field and Dan Perpich kicking an excellent goal at a crucial moment. Everyone worked hard and showed strong teamwork throughout the match. Moving forward, we can improve our goal conversion to make sure we take more of our chances and turn good plays into even more scoreboard pressure.

6D

5A

Competing with a strong wind the boys fought hard all day to stay in the game. A rough, physical contest ended with some sore bodies. Extremely proud as a coach, although we had a 2-goal loss, the effort could not be questioned. There were no liabilities out there, just team players. The consistent trio of Maxy Wurf, Josh Chapman and George O'Brien were impressive again today. Rest up boys and on to next week!

5B

After a defensive first quarter, the 5Bs started dominating in the second quarter with great passages of play leading to goals. Our backline was fierce and shut down SLC's attack time after time. Our midfield worked hard in the contest to move the ball into the forward line where our forwards showed off their skills and kicked goal after goal. After losing to SLC two weeks prior, there was no evidence of that this week. It was a tough contest but our finishing from our forwards put us up on the board each quarter.

5C

The 5Cs faced a rocky start and were down in the first quarter today. However, the boys took the field in the second quarter with renewed determination. After many strong tackles and full-field kicks, the final buzzer marked another win for the 5Cs!

5D

After a slow start Marist found themselves down 0-9 in the first quarter. Thankfully, a tactical tweak from coaches reclaimed the game's momentum. With an end score of 73-9 with Flynn Julicher's domination and the defensive efforts of Elijah Singh and Tom Quinn
