UNIVERSITY

ATAT Q&A. What Next?

January is just another month in the summer break for current tertiary students, but for recent school leavers it means one thing — university offers. If you're one of the many students nervously waiting for offer day, check out our Q&A below.

<https://www.gooduniversitiesguide.com.au/education-blogs/tertiary-study/atar-q-a-what-next>

The ATAR is a rank, not a mark.

The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to all the students in their age group (ie all 16 to 20 year olds in NSW). So, an ATAR of 80.00 means that you are 20 per cent from the top of your age group (not your Year 12 group). Universities use the ATAR to help them select students for their courses and admission to most tertiary courses is based on your selection rank (your ATAR + any applicable adjustments). Most universities also use other criteria when selecting students (eg a personal statement, a questionnaire, a portfolio of work, an audition, an interview or a test). The average ATAR is usually around 70.00.

If every school student went on to achieve an ATAR, the average ATAR would be 50.00. But because some students leave school early and the ones who stay on to receive an ATAR are a smaller, more academically able group, the average ATAR is higher.

University of Wollongong Audition Information

Entry into the Acting major of the Bachelor of Performance and Theatre is based on a combination of both academic results and audition. Due to the practical nature of this course, all applicants are required to audition to demonstrate their talent and potential to excel in this field. Due to the ongoing COVID-19 pandemic, all auditions for 2022 entry must be submitted as links to a digital recording.

More info on the course is here:

<https://coursefinder.uow.edu.au/information/index.html?course=bachelor-performance-theatre>

Prepare one of the UOW selected audition pieces to memorise and perform.

Arrange for a friend or family member to assist with recording. 'Selfies' are not accepted. The film should be a medium shot, that is, the bottom of the frame around your waist, top of frame above your head. This will give a clear view of your face and body movement.

Applicants must send their submission via email to auditions-taem@uow.edu.au by:

Early Admissions: 9.00am Wednesday, 29 September, 2021

CSU Doctor Of Medicine

Please note: Applications for Session 1 2022 close 30 September 2021.

Due to the COVID-19 pandemic, UCAT ANZ testing has been disrupted, which will affect our admission process for entry into the Doctor of Medicine.

We remain committed to a multifaceted entry approach;

however, please be advised that the assessment process is likely to be modified this year. We will advise of any modifications as soon as possible. Ready to get qualified to become a doctor? With our Doctor of Medicine you can study regionally and be at the cutting edge of the future of medicine in Australia. The continuing shortage of doctors in the bush is central to Australia's rural health crisis. From 2021, you can help address this regional shortage by studying our Joint Program in Medicine, in partnership with Western Sydney University.

Prepare yourself for a rewarding career in medicine and make a difference in community health with Charles Sturt. [Download your course guide now.](#)

CSU/WSU Doctor Of Medicine – Tips to get interview-ready

Start to prepare for the Multi-Station Mini Interview that will be held in November. The UCAT ANZ scores will determine a ranked list for interview. If you are successful, you'll be invited to show us what you're made of at the interview.

How to prepare for the interview.

Gain an understanding of current issues in rural health.

Talk to doctors who work in regional and rural areas. Practise interview questions with family and friends.

CSU – Check out and plan for Campus Accommodation

Western Sydney University –High School Mooting, Kirby Cup -NSW

Monday 25 October - Tuesday 26 October for preliminary rounds

Mooting - arguing a hypothetical legal case - was initially developed as a means of training young barristers about legal process, advocacy and persuasion. Today, mooting is an important part of the curriculum within the School of Law at Western Sydney University, providing students with the opportunity to develop skills in appellate (as compared to trial) advocacy in real courtroom settings.

The School of Law is inviting high school students in New South Wales to participate in the Kirby Cup Western Sydney University High School Mooting Competition in 2021.

The registered high school mooting teams will be organised to compete against one another in a preliminary competition.

UNSW Co-Op Program Updates

For Students/Applicants:

- In the **Education Background** section of the application, we have advised students that if they did not continue a subject into Year 12, they can enter NC into the relevant result boxes. If a student is continuing the subject but does not have the result at the time they submit their application they have been advised to enter a dash " - " in these boxes. This will not negatively impact their application.

- To avoid disruption of the written HSC exams the Interview notification date has moved to **12th November**, and the video submission deadline to **19th November**.

Schools Assessment Page (SAP)

- Step 1: If you are unable to estimate a class position and/or ATAR for a student, this can be left blank as this step is not compulsory for 2022 applications. If not completed please ensure you enter an academic comment in Step 3.
 - Step 3: If unable to complete Step 1 an ATAR range or comment on the student's academic ability can be entered here, as well as any additional comments on the Student's achievements. Schools can upload a document if they wish.
 - **The due date for the SAP has been extended until Friday 15 October** so that any available trial results for a student can be taken into consideration.
- To further support your students Co-op has launched online chat to quickly/easily respond to enquiries, and provide afterhours support on Tuesdays & Thursdays from this week.
- Please don't hesitate to contact the Co-op team with any enquiries via the website or email:

Bond Sport Packages

Bond University Exercise and Sport Science program has developed a suite of packages targeted at high school level physical education students. These packages are aligned with the new Physical Education syllabus and allow students with an interest in high performance sport, technology and testing to learn from a highly experienced staff in the award winning High Performance Training Centre.

Schools and teachers can choose one, or a suite of packages (see brochure below) relevant to their current learning schedule and timing preferences. Packages range from 1.5hrs to 5hrs in duration. Bond University will provide a detailed workbook on the day, which allows students to record and measure outcomes, and where relevant, answer specific questions on the task and around the new PE Syllabus Unit objectives 3 and 4.

EarthX Eco Art Competition

Closes: Monday, January 24, 2022

Young artists, ages 5-22, will create a piece of art, either 2-D or 3-D, that illustrates the message of the theme: Plant the Seed. Contestants can use any medium or combination of media as long as the work meets the size requirements designated in the Official Rules.

The artwork should address this year's theme of Plant the Seed. The subject matter of the art can center around different aspects of this theme. It could focus on the benefits of creating a rain garden to protect a watershed, a community garden to support an urban area, or regenerative farming to improve both water quality and climate change. One could also apply the theme to the planting of a tree as a means to combat the effects of deforestation, increase CO2 capture or habitat security for wildlife. The idea that planting seeds for a garden promotes the health of pollinator populations could also fit into this concept. The theme could also be interpreted more figuratively to imply that like planting a seed, taking an action in connection to any environmental problem can grow into sustainable solutions. These are just a few ideas and should no way limit the artist into how the theme can be represented.

ASX Schools Sharemarket Game

Registrations close on 24 September, 2021

While you teach your students about investing and the Sharemarket, they can put into practice what they are learning by playing the Sharemarket Game. Students receive a virtual \$50,000 they can invest over a 10 week period, in over 200 companies listed on the ASX. The prices students buy and sell at are the same prices as they would get in the live market so this is as close to real life share trading as you can get.

As a result of playing the Game your students will:

Develop their knowledge of the sharemarket

Learn how to research companies. Discover the

importance of wise investment decisions

Gain a greater knowledge of economic and world

events Begin to learn more about investing which is

beneficial for their future

The Game can be part of a school subject or an extra-curricular activity offered to students. It is free to play and as a bonus students can win great cash prizes.
