

# Careers Corner Weekly

WESTERN AUSTRALIA, 2024

MONDAY 28 OCTOBER #35

## **Stargirls+ Applications Now Open**

Stargirls+ is a free four-day STEM camp in January 2025 and is open to girls and other underrepresented genders in Years 9-12. You will meet and talk with women with careers in astrophysics, engineering, and data science, use research-grade telescopes, and take part in a night-time stargazing event. Apply by 01.12.24.

## **How To Handle Fear About the Future**

During exams and towards the end of school, it's normal to think about the future. On one hand, it can be really exciting. On the other, it can be straight up daunting. Check out Reach Out's strategies for coping with worries about the future and refocusing your energy on the here and now.

## **Follow Your Dreams to Find Your Ideal Job**

How did shy Polish immigrant kid Karl Kruszelnicki evolve into the fabulously eccentric Dr Karl? Before he became a clever scientific storyteller, he ambled through a convoluted career until realising that it's okay to not take a linear path through life, and that by following your curiosity and your passions, you can bend the universe to your liking.
