

Swimming at the
Danny Frawley
Swim School

In Weeks 6 and 7, we will travel by bus to swimming lessons at the Danny Frawley Swim School.

We will line up with our class and walk to the bus with our bus partners and teachers.

When we get to swimming, we will get off the bus and walk into the swimming centre with our bus partners and teachers.

We need to follow all instructions and listen to our teachers so we know where to go and to keep us safe.

Inside the swimming pool area we need to walk slowly past the pool with our class and teachers to the changeroom.

We will leave our swimming bags and towels here. We will only wear our bathers, goggles and caps.

Our teachers will be there to help us get changed.

We need to listen to all instructions from our teachers.

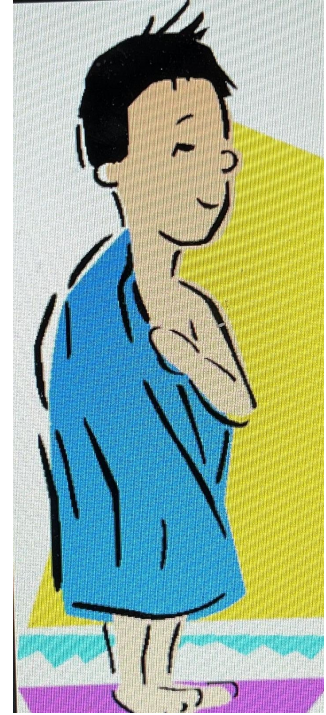

Once we are changed, we need to walk back to the pool where our swimming Instructor will be waiting for the lesson. We need to sit on the side of the pool and listen to all instructions from our Instructor so we know what to do and to keep us all safe.

Once our lesson is finished our Instructor will ask us to get out of the pool and go back to the changeroom. We need to slowly walk back to the changeroom, dry off and get changed back into our school clothes. We need to pack all our things back into our swimming bag.

Our teachers will be there to help us if we need.

When we are dressed and everyone is ready, we will take our swimming bags and walk with our bus partner and teachers to the bus. The bus will take us back to school.

We need to listen to all our teachers instructions so we know what to do and to keep us safe.

Swimming lessons will be lots of fun and we will have a great time with our friends.
