What we've been up to in the past fortnight!

Hello and welcome to GOSH. We are now back for Term 1 of 2018, we have put up the child profile poster to help welcome the new students and parents. We would like to know more about the children's interests and plan programs for the children to support their life and learning skills while they attend GOSH. We are also hosting a welcoming party for the prep students, to support their transition to after care. We would like to hear any suggestions or any information from parents to support us to make children smile and have fun in GOSH.
