Camp Australia at Plenty Valley Christian College OSH – Program Highlights

At Camp Australia – Plenty Valley Christian College OSH, we've had a fantastic time filled with fun, creativity, and exciting new experiences! We introduced a variety of new and exciting foods for the children to try, making mealtimes something to look forward to each day.

Wednesdays were turned into a special treat with the introduction of Children's Movie Night, bringing everyone together to relax and enjoy a film with friends.

Our program was packed with hands-on activities and many more, including slime-making, a LEGO competition that sparked imagination and teamwork, and plenty of outdoor games both on the field and at the playground. Most importantly, the children had the chance to build new friendships and create lasting memories.

It's been a wonderful season of fun, learning, and connection at OSH!
