

What is the Regional Pathways Program?

The La Trobe Regional Pathways Program offers you extra support throughout your final year of schooling:

- Fortnightly face-to-face workshops centred on study skills, literacy, well-being, and career pathways.
- Access to **free** literacy tutoring.
- Support and advice from current regional university students.
- Access to **free** resources that will support you through your Year 12 journey.
- Personalised careers and pathway support.
