

GALILEE TRIVIA NIGHT 2017

To our favourite local businesses,

On Saturday 5th August we are holding our annual fund-raising Trivia Night. This is our main fundraiser for the year, where we hold a silent and live auction of donated goods and services. Proceeds from the evening will go towards our school and a percentage will be donated to Kidney Health Australia. The importance of this organisation is particularly significant to us, as the son of one of our very own families successfully received his second kidney transplant this year!

We are asking for your support with our fundraising efforts. Besides you having our everlasting gratitude, we will market your business to all of our 260 Galilee families through our school newsletter and Galilee Events Facebook page. There will also be material distributed at the Trivia Night promoting all of our wonderful supporters.

If you have any goods, vouchers, or services to donate, please complete the form below or provide a gift voucher or goods that we can use instead.

Thank you for your support.

Kind regards,
Events & Fundraising Committee, Galilee
