Dear Families,

Below is the **Year 1 Student Stationery List for 2027**. All items can be purchased from a retailer of your choice (e.g., Officeworks, Big W, Kmart or any other stationery supplier).

If you already have any of the listed items at home that are in good condition and expected to last throughout the school year, there is no need to purchase them again.

Please ensure that all items brought to school are **clearly labelled with your child's name**. All stationery **must be clean, free from graffiti or writing, and in good working condition**.

Kind regards,
Joelle Diakrousis
Deputy Principal
