

Northern Bay TheirCare

What have we been up to?

We have had an easy transition back into the service after our 3rd holiday program. The children got the chance to explore at LaserQuest, sit back and relax at the movies, holding slivering snakes and lots of fun activities in between.

This term our focus is going to be around skills, and relationships between children and staff. The children have been really interested in group games this term, and we are finding ourselves playing lots of memory tag, tag, among us or just having a fun adventure with each other.

So far, we have created Clay Creations, mastered our skills with straw weaving, and finger knitting, BINGO, Trivia questions, drawing, illustrating story books, and being creative with construction resources. We look forward to Halloween and

Reminders
