Dear Brookside Families,

At Brookside, we understand that as a care provider, the demand for innovative and engaging programs is ever-present. That's why we are dedicated to developing exciting and dynamic programs throughout the year, all while maintaining our commitment to quality and engagement. These programs are designed with your feedback in mind, gathered through regular surveys and conversations.

This term, in response to the feedback from the children, we are thrilled to introduce the highly anticipated theme of **Big Art**. Art is a thrilling adventure that provides children with a playground for expression and creativity. Every artistic medium offers unique benefits that stimulate imagination, enhance motor skills, and promote emotional expression. Whether it's the simplicity of a pencil sketch or the tactile experience of sculpting, each art form has something valuable to offer young creators.

In the upcoming weeks, we will be focusing our programming on exciting global events and cultural celebrations. Our themes will include the **Olympic World Games, Holi, St. Patrick's Day, and Global Recycling Day**, each offering a variety of fun and engaging activities for the children to explore. For the **Olympic World Games**, we'll celebrate with team challenges, relay races, and friendly competitions. For **Holi**, we'll embrace the vibrant colours and cultural significance of the festival through art and music. **St. Patrick's Day** will bring lots of fun with treasure hunts, leprechaun-themed games, and activities inspired by Irish culture. Lastly, for **Global Recycling Day**, we'll focus on eco-friendly activities, teaching children the importance of sustainability through crafting and recycling projects. These themed activities will inspire creativity, teamwork, and a deeper understanding of the world around us!

Regards
Garima Arora

Activities coming up

- Olympics Tunnel Ball
- Holi Finger Painting
- Cheer Pom Poms

What's on the menu.

- Pancakes
- Loaded Cheese Nachos
- Cheese and Crackers
