Around the Grounds

6A

The 6As put on a clinical display over the weekend that saw them come away with a dominant 12-0 against a brave SPLC side. Limited to 7-a side to begin the game did not seem to faze the Marist attack as they scored 2 goals within the first minute to shell shock their opposition. Beautiful ball movement and sensational poise in front of goal sealed the display. The boys were thrilled to secure a win at home and dedicated the victory to Isla Lucas.

6B

Buoyed by the victory preceding their game the boys in the 6Bs had one focus in mind: win and win big. St Peter's put up a gallant fight but our midfield combination of Massimo Candiotto and captain Patrick Collins were too much for them to handle. A hat trick and deserved man of the match honours were earned by Luca Bordingnon who torched down the right flank for the majority of the match, he was aided by 5 more enthralling strikes which led to an 8-2 victory. The boys are looking forward to finishing the season off strongly next week.

6C

The boys did very well to play against an SPLC side with some players from the A & B teams. Jack Rosenberg was again instrumental in saving goals – putting his body on the line a number of times. Charlie Cook worked hard in the striker position to set up quite a few goals. Well done to the defenders in the 2nd half for keeping the ball away from our half of the field for the entire 20 minutes. Looking forward to our final game next week!

6 Gold

A loss today for the young men in 6 Gold, but probably their best game of the season. They defended well, attacked the goal and played like a team that has been playing together for years. Darcy Mahoney did a great job in the backline, tackling hard and helping to move the ball forward. And man of the match Julian Cassar was everywhere. Racing from shooting goal attempts at one end to stealing the ball from the opposition at the other, and back again. It was like we had two Julians out there. Last game this week boys. Let's give it everything.

6 White

The mighty 6 White fought to the end in a tough tussle against SLC, being defeated 5 – 1 in what was a game that saw the boys return in the second half to the all-in team game they play so well. With a few players off sick, the remaining ten played hard with little rest for the full forty minutes. The skilled combination of Matt Henselien and Tom Dowl worked well with the skills of Declan Barbaro to bring the attack right to the SLC goal. Sam Turvey played a great game, managing to be involved in most of the plays of the day and debuting for the season in the position of goalie where he saved the team from many SLC attacks. Carter Gibson also played most capably in the goalie position and as a strong defender, repelling many attempts at goal. Lachlan handler played his best defence game yet and was a star in this role. Tom Lynn, Harry Hind & Chris Fowler all played their hearts out and, on many occasions, took the attack to the opposition. However, the day was not to be ours. Despite the loss the boys should be very proud of the way they held themselves and the gusto with which they played the game.

5A

A dominant display by the Marist 5As saw them comfortably cruise through the game. A particular highlight was Harry Coulter snagging 2 assists and a goal despite only playing one half in outfield.

5B

A slow start saw the boys trailing by 1 early before a good strike from Hunter Morgan had the score even at half time. A strong second half saw the boys take a 4-1 win including the goal of the season from Cooper Baker.

5C

The Marist boys came ready to play today and scored the first of the match before St. Peter's equalised. From then on it was all Marist. Energy was high with some crisp passing a feature. It

was particularly pleasing to see some beautiful balls being put into space for players to run on to. Jacob Lamers and Remi Sakzewski were particularly impressive in this regard. Jasper Belyea was switched forward in the second half and played some of his best football for the season in a 15-minute burst where he drilled 2 lovely goals. Other goal kickers were Remi, Vinnie Heenan, Cooper Norlander, Rocco Holmes and Liam Fitzpatrick. All in all, a very cohesive team effort with everyone contributing.

5 White

Another difficult road trip for the 5 White footballers. Liam Inglis had another good game, he started all of our attacks with good long balls up the field. Also, James Doolan played well in the midfield winning lots of tackles and working hard all game. All the boys are looking forward to next weekend with the aim of finishing the season on a high note.
