

23rd June 2025

Dear Parents & Caregivers,

The Magill School OSHC Advisory Committee and Governing Council have analysed the current financial viability of the OSHC service and decided that a fee increase is necessary, in order to maintain the high quality of programs offered, and care provided. The financial situation is monitored closely, with a continued analysis of rising costs, including food, materials, salaries, superannuation, incursions, venues, buses, cleaning, subscriptions etc. We are aware of the effect of rising costs on families and have attempted to minimise the impact by delaying any increases for the last 18 months, and keeping the fees as low as possible.

The increase will take effect from July Vacation Care and Term 3 OSHC, 2025, which corresponds with the annual Child Care Subsidy hourly rate increase. The out of pocket increase in expense is therefore lessened for most families, when introduced simultaneously.

Before School Care will increase by 50 cents, After School Care will increase by \$1 and Pupil Free / School Closure Days, Vacation Care Home Days, Incursion Days and Excursion Days will all increase by \$2 per child.

Please see below for a copy of our new fee structure:
