GLEN WAVERLEY LINE

Plan ahead to avoid long delays

April 2019

TRANSPORT FOR VICTORIA

Authorised by Transport for Victoria, 1 Spring Street, Melbourne

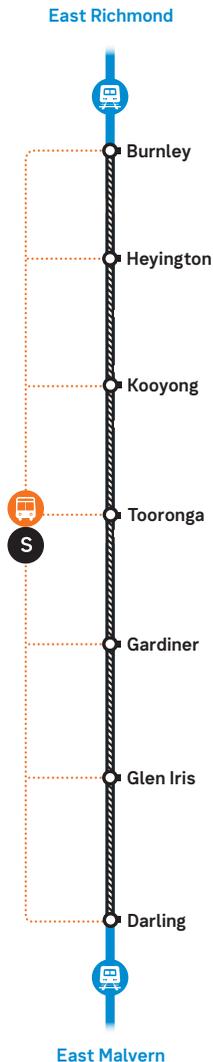

MTDS015

Burnley to Darling

Saturday 13 April and Sunday 14 April

S Stopping all stations

Throughout April your regular services will be busier than usual due to works on the Cranbourne, Pakenham and Frankston lines. Plan ahead to avoid long delays.

Plan ahead to avoid long delays

We're building the Metro Tunnel and improving the public transport network so we can run more trains, more often. This will involve disruption to your journey so we'd like to help you plan ahead to avoid long delays.

Buses will be replacing trains on the Cranbourne, Pakenham, Frankston and Sandringham lines throughout April. Your regular services will be busier than usual during this time.

If you can, avoid peak times and travel before 7am or after 9am. Take advantage of the Early Bird fare. Touch on and off before 7.15am and your train travel is free.

We expect other public transport services and roads to be busier than usual. Plan ahead and allow extra time.

AFL fans should allow extra time to get to the MCG in April, with a number of train lines not running to Richmond Station. The free tram zone will be extended to the MCG for affected games.

Plan ahead and allow more time if you're attending a show at the Melbourne International Comedy Festival.

Accessibility

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on **1800 800 007** or speak to our staff at the bus stop for alternative transport to be arranged at no cost.

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.
