Prayer

Melbourne Archdiocese

We are One as we walk in the footsteps of Jesus

We thank you Lord for our caring friends, families and teachers who are always welcomed at St Thomas More.

We pray that through our actions we show respect and a deep care for each other and for the sacredness of

the hills, where we grow and learn.

We are One as we walk in the footsteps of Jesus

We pray that our school continues to be a place of great discovery, adventure and creativity. Guide us to have the courage to rise up and embrace challenges in all we do.

We pray that we will be understanding and compassionate like Jesus, so that through our actions of kindness, fairness and justice, we truly live out our motto of 'We are one' at St Thomas More.
