

## ABOUT TDTU

Ton Duc Thang University (TDTU) is a public university and on the way to being listed as one of the best Asian universities.

In April 2019, TDTU was ranked 101-200 most influential university in the world (according to THE University Impact rankings). TDTU is one of the top 25 ASEAN scientific research institutions (according to database Web of Science, USA). In November 2018, TDTU was ranked 182/719 the world's most sustainable university (according to GreenMetric UI).

In the QS Asia University Ranking in 2019, TDTU is ranked 291 -300 among Asian universities. In addition, according to the University Ranking by Academic Performance (URAP) 2018, TDTU ranked 2nd in Vietnam and 1422th in the world.

On July 2nd, 2018 The High Council for Evaluation of Research and Higher Education (HCÉRES) decided to recognize that TDTU complies with French and European standards for universities.

TDTU is the first public university in Vietnam rated 4/5 stars by QS Stars Ratings from the UK.

The total land fund of TDTU is about 108,1 ha distributed in 6 campuses with plants accounting for 77.75% of the open space. At present, TDTU has 1,400 lecturers/administrative staffs, including more than 553 international professors and experts (lecturers with PhD degree and currently PhD students account for more than 50% and from now to 2021, the total number of PhD will reach 85%, etc.). There are more than 24,000 students, including 2,300 international students, 17 faculties with 40 Bachelor's programs, 18 Master's programs, 26 Doctoral programs. Currently TDTU has 63 research groups; 3,172 international publications of ISI list and 07 patents granted by USPTO (United States); TDTU has been cooperating with 140 international universities in the world.

## EDUCATION AND TRAINING PROGRAMS

Undergraduate programs are designed according to the programs of TOP 100 universities worldwide. International programs, in particular, are following the programs of these universities. The textbooks and reference materials are the materials used in the world's top 100 universities in terms of each major.

100% of students study in standard theoretical rooms, practice in modern and well-equipped practice rooms / workshops; 100% of students can visit and serve their professional internship in factories, companies, offices. During the study period, students interested in scientific research can involve in the study under the guidance of their instructors. In addition, students can take short-term exchange courses in international student exchange programs with leading universities in the world;

## SCHOLARSHIP

**In 2019, TDTU offers more than 100 full and partial scholarships for Australian students. Scholarships include tuition and dormitory fee. After students have been awarded a scholarship, students only spend about 50,000 VND/day for meals (about 2.2 USD/day).**

***Scholarship application requirements:*** high school graduates or equivalent (there is no age limit). Scholarship Application Evaluation Committee of TDTU will based on student's academic performance and proficiency in English to offer scholarship for students from high to low order until the expected number of scholarships is no longer available in the batch.

### How to Apply for Scholarships:

- Application form: applicants fill in the online form at <http://apply.cis.tdtu.edu.vn/> (can choose the appropriate language

- **High school diploma (in case the applicant has not got the diploma yet, then it can be additionally submitted as soon as the applicant passes the high school graduation examination and has the diploma.**
- **English language certificate or other supporting documents (if any).**

**Australian students can participate in one of the following programs:**

- **Undergraduate Programs in English language:** is the undergraduate programs taught in English. Applicants for Undergraduate Programs in English language are required to achieve the minimum IELTS scores of 5.0 or equivalent; or studied high school program taught in English; or students from countries with English as their primary language.  
If students are not eligible for a scholarship, students will have to pay the tuition fees around 60.000.000VND/year ( $\approx 2.553\text{usd/year}$ ).  
List of Undergraduate Programs in English language in attached file.
- **Undergraduate Programs in both Vietnamese and English:** Students can choose to participate in the Undergraduate Programs in both Vietnamese and English language. Applicants are required to provide a Vietnamese proficiency certificate CEFR B2 and English proficiency is equivalent to B1. If students do not have the required language level, they will attend language preparation classes in Vietnamese or/and English from 1 semester to 1 year. (Beside the scholarships for 4 years of undergraduate program, if students attend an intensive Vietnamese class, they will be considered for additional scholarships. For intensive English class, students have to pay the tuition fee by themselves);  
If students are not eligible for a scholarship, students will have to pay the tuition fees around 38.000.000 - 45.500.000VND/year depending on the study program ( $\approx 1.617\text{usd} - 1.936\text{usd/year}$ ).  
The list of Undergraduate Programs in both Vietnamese and English is in attached file.
- **Undergraduate Programs in Vietnamese language:** Students will study undergraduate programs are designed according to international standards but taught in Vietnamese. Applicants for Undergraduate Programs in Vietnamese language are required to provide a Vietnamese proficiency certificate CEFR B2. If students do not have the required language level, students will attend an intensive Vietnamese class from 1 semester to 1 year. After that, students will be officially offered admission to undergraduate program and get an academic scholarship for the 5 -year (include the tuition and dormitory fee for 1 year of Vietnamese Preparatory Course and 4 years of Undergraduate program).  
  
If students are not eligible for a scholarship, students will have to pay the tuition fees around 18.000.000VND - 22.000.000VND/year ( $\approx 766\text{usd} - 936\text{usd/year}$ ) depending on study program. Especially, for Bachelor degree of Pharmacy: 40.000.000 VND/year ( $\approx 1.702\text{usd/year}$ ).  
List of Undergraduate Programs in Vietnamese language in attached file.
- **Joint programs with international universities:** This is a joint program with international universities with the first phase in Vietnam and the second phase of study and graduating at a foreign university in the training system of TDTU. TDTU chooses to associate itself with prestigious universities in countries which have advanced education system in the world but with low training costs and many incentives for students of TDTU such as United Kingdom, the Netherlands, Czech Republic, Malaysia, and Taiwan, etc. Students will study phase 1 (2-3 years) at TDTU and transfer to phase 2 (1-2 years) at partner universities abroad.

After graduating from a foreign university in phase 2, students will be awarded a degree by the foreign university as a full time student in a foreign country (non-discrimination of diplomas between students who study full-time or only phase 2 in a foreign country). Especially, if they enroll in a dual degree program, in addition to the degree of foreign universities, they also receive the internationally recognized Bachelor degree from TDTU. With this program the expense is only 30% compared with the total cost of studying full course abroad; The tuition fee for phase 1 in Vietnam: around 45.000.000 - 63.000.000VND/year ( $1.915\text{usd} - 2.681\text{usd}$ ), phase 2 in overseas Universities: around 55.000.000 –

370.000.000 VND/year (2.340usd – 15.745usd).List of Joint programs with international universities in attached file.

### **BENEFITS & OPPORTUNITIES OF THE LEARNERS**

- After graduation, students will gain the internationally recognized Bachelor degree from TDTU and/or the international degree from overseas universities.
- Have an opportunity to deeply understand the Vietnamese culture and economy to find job opportunities in large corporations and companies of the world;
- If students choose to work in Vietnam, TDTU will support them in applying for a work visa for foreigners and job search. With an annual GDP growth rate of 6-8% /year (2016- 6,21%; 2017-6,8%; 2018-7,08%; is expected to be 7% in 2019),this growth rate creates a lot of jobs and investment opportunities in Vietnam.
