## A message from Elizabeth, your Coordinator

In the past fortnight at Camp Australia OSHC in Sacred Heart Primary School, the children have learnt about different areas of health and wellness (sugar consumption, sleep, sunscreen and exercise). The children have also participated in a wide array of mathematical activities, such as fishing for numbers, building number towers and colouring in by mathematical equations. Unfortunately I (Elizabeth) am leaving Camp Australia to pursue my future career goals. Therefore, there will be a new temporary coordinator until the end of term - Marianne. We welcome you all to come and stop by the Camp Australia OSHC room to meet Marianne! Thank you to the Sacred Heart families, carers, staff and wider school community for making my time in service a magnificent experience. Most of all, thank you to the children who spent time with me in service. It has been a pleasure to help the children grow and develop into kind, passionate and enthusiastic young leaders. The children at Sacred Heart inspire me and I wish them all of the best for their futures!
