About this Plan

CaSSSA Mission

The Catholic Secondary School Girls' Sport Association has as its primary purpose the promotion of girls' participation in physical activity through competitive sport.

The guiding principles are to be:

- (1) the provision of sporting opportunities for our member schools that foster individual talents and team spirit through commitment;
- (2) the pursuit of team and individual growth and development through sport;
- (3) a commitment to the highest standard of behaviour and respectful sporting attitude;
- (4) the promotion of health, safety and well-being of all girls;
- (5) a disposition towards encouragement and respect for all participants and officials;
- (6) accessibility to a diverse range of sporting opportunities for our member and invited schools;
- (7) a spirit of goodwill and co-operation between member and invited schools; and
- (8) Sports Coordinators, officials, and participants advocate values of fair play and inclusive practices in sport; and promote equality and respect for women and girls in all aspects of sport.

(Acknowledgement to the Australian Sports Commission)

Introduction

COVID-19 Coronavirus has caused global concern from December 2019, and the Australian and Queensland governments are continuing to monitor and respond to the transmission of the virus since its emergence.

CaSSSA sport concluded on 14 March 2020 to ensure the safety of all participants and to support and assist with community actions to limit the rate of COVID-19 transmission within communities. All sport was cancelled for the second school term.

On 15 May 2020, the Queensland Government announced the commencement of three stages for the easing of restrictions on gatherings and non-essential activities including community and professional sport. The first stage commenced on 15 May, Stage 2 commenced on 1 June, and Stage 3 is currently planned to commence 10 July 2020. Progression to Stages 3 remains subject to confirmation by authorities based on health advice after a review of the impact of Stage 2. Authorities will confirm the position for Stages 3 ahead of its planned commencement.

CaSSSA aims to recommence sports competitions from Wednesday 2nd September in line with the easing of Stage 3 restrictions, which are yet to be announced by the Queensland government. The CaSSSA Board, above all else, values the safety and welfare of staff, volunteers, students and families and the common good of all people not just our own communities. It is committed to supporting and aligning with

the three stages for return to sport in Queensland and setting clear guidelines for member Schools to enforce at any CaSSSA activities (indoor and outdoor) and sports offered in Term 3 & 4.

CaSSSA will continue to monitor the reports and advice from the Australian and State governments and other relevant health and educational authorities. This information will be used to evidence any decision processes within CaSSSA when considering matters of due diligence within our competitions and events. This plan links with CaSSSA's other WHS strategies.

Purpose

The purpose of this **Safe Return to Sports Plan** is to meet our due diligence expectations and the CaSSSA Mission by providing safe and healthy environments for the competing Schools and their students and families. It been developed as part of CaSSSA's overall commitment to work health and safety, and to assist our member schools (listed below) comply with COVID-19 safe strategies for the sports in which they participate:

<ul style="list-style-type: none">• All Hallows' School	<ul style="list-style-type: none">• Mary Mackillop College
<ul style="list-style-type: none">• Brigidine College	<ul style="list-style-type: none">• Our Lady's College
<ul style="list-style-type: none">• Loreto College	<ul style="list-style-type: none">• Saint Mary's College Ipswich
<ul style="list-style-type: none">• Lourdes Hill College	<ul style="list-style-type: none">• San Sisto College
<ul style="list-style-type: none">• Mount Alvernia College	<ul style="list-style-type: none">• Saint John Fisher College
<ul style="list-style-type: none">• Mount St Michael's College	<ul style="list-style-type: none">• Stuartholme School
<ul style="list-style-type: none">• Saint Rita's College	

Scope

This Plan applies to all CaSSSA Venue Coordinators, School staff, students and families that are involved in sporting events and programs that are set out in the plan. It has been endorsed by the CaSSSA Board based on expert information available from updates from the Australian and State government, and other relevant health and educational authorities. It must also be noted that the COVID-19 situation is fluid and information made available from these sources consistently changes because of the nature of the spread of the virus. Any relevant changes will be immediately considered and adjustments will be made to the plan where necessary and relevant.

From Stage 2 (commencing 1 June 2020) in Queensland's roadmap to easing COVID-19 restrictions (refer **Appendix A**), non-contact activity is permitted for up to 20 people. With an approved an approved industry COVID Safe Plan (CSP) more than 20 may be permitted. Organised training/coaching can commence from Stage 2 is the activity and number of participants is permitted within the stated restrictions or in an approved industry CSP.

From Stage 3 (commencing 10 July 2020) standard sporting activities can recommence for up to 100 people. With an approved industry COVID plan, more than 100 people may be permitted.

This plan, while not an approved industry COVID plan, summaries guidance from relevant approved industry plans for the following sports:

<ul style="list-style-type: none"> • Basketball 	<ul style="list-style-type: none"> • Hockey
<ul style="list-style-type: none"> • Cross Country 	<ul style="list-style-type: none"> • Netball
<ul style="list-style-type: none"> • Football 	<ul style="list-style-type: none"> • Touch Football

It has been developed to comply with applicable obligations in force at the time of its development under the following legislation:

- Work Health and Safety Act 2011; and
- Public Health Act 2005 and any *public health directions* currently in force, including:
 - o Restrictions on Businesses, Activities and Undertakings Direction;
 - o Movement and Gathering Direction;
 - o Self-isolation for Diagnosed Cases of COVID-19 Direction;
 - o Protecting Public Officials and Workers(Spitting, Coughing and Sneezing) Direction; and
 - o School and Early Childhood Service Exclusion Direction.

Responsibilities

CaSSSA responsibilities under this plan extend to the activities it conducts on behalf of member schools in relation to:

- coordination of sporting fixtures;
- booking of major venues (non-school based);
- taking reasonably practicable actions to ensure the adequacy of facilities, amenities, first aid arrangements and COVID-19 management strategies at sporting venues; and
- ensuring that sports are conducted according to the by-laws.

CaSSSA is not responsible for:

- implementation of COVID-19 management strategies at venues (either school based or non-school based);
- engagement of appropriate umpires and referees by host schools.
- taking direct action to rectify deficiencies in facilities and amenities;
- direct supervision of students participating in sporting events or when training; or
- reporting of COVID-19 illnesses to Queensland Health.

Definitions

Approved industry COVID plan – a plan developed by an industry peak body or representative group for businesses within that industry to follow. The plan clearly outlines how businesses will operate and has been approved Queensland's Chief Health Officer. Eligible business who are following an industry COVID Safe plan can operate beyond the limits prescribed in the roadmap (Appendix A), provided they are following social and physical distancing requirements.

Essential business, activity or undertaking – means a business, activity or undertaking that is not prohibited by the Non-essential Business, Activity and Undertaking Closure Direction or its successor, or another Public Health Direction.

Gathering – does not include:

- gathering at a school, university, educational institution or childcare facility, that is necessary for the normal business of the facility.

Roadmap – means the Queensland government roadmap to easing COVID-19 restrictions, which outlines a gradual reduction over three phases.

Social distancing – includes remaining at least 1.5 metres away from other persons and maintaining density of 1 person per 4m² where possible, regular washing of hands and avoiding handshaking.

Approvals

The table below lists the Executive personnel identified as members of the CaSSSA Board. By signing below, these persons confirm that they have read, understood and give their commitment and support to the actions in the plan.

Name	Principal	Signature	Date
Catherine O'Kane	All Hallows' School		
Brendan Cahill	Brigidine College		
Kim Wickham	Loreto College		
Robyn Anderson	Lourdes Hill College		
Christine Clarke	Mary Mackillop College		
Kerrie Tuite	Mount Alvernia College		
Sharyn Volp	Mount Saint Michael's		
Paula Goodwin	Our Lady's College		
Catherine Galvin	Saint John Fisher College

Novel Coronavirus (COVID-19) CaSSSA Response

CaSSSA Executive Officer & Executive Chair	CaSSSA Response Team	CaSSSA Member Schools
<p>The CaSSSA Chair will communicate with other CaSSSA School Principals outlining any instances of COVID positive reports from member schools that may impact the closure or adjustment to the CaSSSA sporting program or other CaSSSA Schools and provide information about initiatives in place (if any) by the affected School(s).</p>	<p>Confer meeting with all members of the CaSSSA Executive Board after advice from the CaSSSA Chair/EO.</p>	<p>Ensure compliance to the CaSSSA COVID-19 Safe Return to Sport Plan and updated government and health authority advice with trainings and venues by implementing the COVID-19 management strategies outlined in the plan.</p>
<p>The CaSSSA Executive Officer is responsible for monitoring the CaSSSA COVID-19 Safe Return to Sports Plan.</p>	<p>Seek and communicate the directions of Queensland Health and other relevant authorities regarding contact tracing, competition and venues.</p>	<p>Take direct action to rectify deficiencies in any facilities, venues, and amenities.</p>
<p>EO will take reasonable steps to ensure the adequacy of facilities, amenities, first aid arrangements and COVID-19 management strategies at central venues.</p>	<p>Ensure compliance to directions of relevant authorities.</p>	<p>Direct supervision of students participating in sports events or training.</p>
<p>Confer with Sports Coordinators to amend any sports by-laws to improve COVID safe practices in competitions and activities.</p>	<p>Ensure affected Schools are contacted and have contact tracing measures in place if needed.</p>	<p>Keep accurate records of team players and spectators for purposes of contact tracing.</p>
<p>The CaSSSA Chair will manage any media communication regarding COVID-19 occurrences that may impact the CaSSSA sport competitions.</p>	<p>With the EO, confer a meeting with other Sport Coordinators to develop an adjusted or revised plan to cater for any impacts of health authority advice including school closures and venue cleaning.</p>	<p>Seek advice and directions from Queensland Health regarding contact tracing and venue cleaning requirements.</p>
	<p>Gathering any financial costs to Schools who are affected by competition adjustments or closures</p>	<p>Communicate with own School communities outlining impact on co-curricular sports and activities.</p>

	With the EO, communicate changes to the competition draws to all CaSSSA member Colleges.	Contact the CaSSSA Chair and inform of situation and Queensland Health requirements for CaSSSA Schools that might be impacted
		Notify the CaSSSA Chair of any actions that might need to be taken by the Association or member schools.
		Assist with any contact tracing requirements regarding other member Schools
		Notify their School community of any adjustments or revised sports plans.

CaSSSA Safe Return to Sport Statement

The Catholic Secondary Schoolgirls Sports Association (CaSSSA) acknowledges its role in supporting members schools and participants to safely manage return to sporting competitions as COVID-19 restrictions lift.

As an organization we shall:

- Make all decisions in respect to return to sporting competitions and managing health and safety based on Queensland COVID-19 public health directions and the Queensland Government Return to Play Guide;
- Adopt where relevant and possible the best-practice principles developed by the peak bodies for the sports in which our member schools participate, including the Australian Institute of Sport's [Framework for Rebooting Sport](#) (including the National Principles for the Resumption of Sport and Recreation Activities) (**Appendix B**);
- Take reasonable steps to assess that sporting venues are fit for purpose and complying with COVID-19 management strategies, including:
 - social distancing requirements;
 - restrictions on number of attendees;
 - cleaning / sanitising regimes;
 - availability of personal hygiene facilities and products; and
 - the keeping of attendance registers;
- Make adjustments to our sports by-laws and play practices where appropriate to minimise personal contact between players;
- Cooperate where requested with any Queensland Health contract-tracing investigation into a COVID-19 case related to participants or other persons involved with our sporting fixtures.
- Maintain the confidentiality and privacy of any individual who is the subject of any such Queensland Health contract-tracing investigation;
- Encourage compliance as far as possible with requirements for social distancing (1.5 metres between people and no more than one person per 4 square metres), regular hand washing / sanitising and avoidance of handshaking;
- Encourage all participants and associated parties to CaSSSA sports to download the COVIDSafe App;
- Actively enforce the requirements for individuals to self-exclude from sports in accordance with CaSSSA's Zero Tolerance Threshold where they:
 - Are displaying known symptoms of COVID-19 (Appendix C)
 - Are awaiting the results of COVID – 19 testing;
 - Have recently been diagnosed with COVID-19;

- Have returned from a travel destination within the previous 14 days declared by government authorities to require individuals to self-isolate; or
- Are reasonably believed to fit one of the above categories;
- Review this plan in accordance with Queensland public health advice, including reactivating increased restrictions where necessary in the event of an outbreak.

Procedure for Dealing with COVID-19 Cases

The following guidelines are in accordance with Queensland Health directives and each member school is committed to ensuring that they are followed.

- Should a CaSSSA member School receive notification that a student, staff member or member of the School community tests positively for COVID-19, the College Principal will immediately seek and follow the directions of Queensland Health and other relevant authorities. These directions could include a self-quarantine period for students and staff who are deemed to have been in close-contact with the individual who tests positively for COVID-19. There remains a potential scenario where the School may be closed for a period of time as all students and staff may be treated as close contacts of the confirmed case.
- The School Principal will notify the CaSSSA Chair of the situation and expected closure dates for the school.
- The CaSSSA Chair will notify the CaSSSA Board to decide what further action may need to be taken by CaSSSA, if any.
- The CaSSSA Chair will inform all member schools of the situation so that there is a single point of communication.
- Cleaning Processes as set out by the Queensland Department of Health will be required to be undertaken on any facilities used for CaSSSA sport that may have been affected, if necessary.

Preventative Measures

All CaSSSA Schools will communicate the CaSSSA expectations for students and spectator behavior and hygiene with their School community to:

- Raise awareness and consciousness about what actions CaSSSA is taking to minimise the risk of an outbreak of COVID-19 within sporting fixtures.
- Encourage the use of physical hygiene and reduction of spread initiatives as listed below.

Personal Hygiene and Reduction of Spread Strategies

- CaSSSA Schools are required to educate all staff, coaches, spectators and families about adequate hand washing techniques.

- All CaSSSA Schools are required to increase resourcing allocated to the cleaning of the physical sites within their sporting facilities, with focus on surfaces and high traffic areas. Additional resourcing will be also allocated to ensure an adequate supply of handwash, hand sanitizer etc around high-risk areas such as bathrooms, changerooms, canteens etc.
- Where applicable, introduction of a non-contact greeting in lieu of close contact greetings (handshakes and hugs etc) before and after fixtures.
- All competitors within CaSSSA sports events will carry their own water bottle or equivalent drinking device. If a member school has generic bottles, they must ensure that saliva cannot be spread amongst players and that all devices are not mixed with those of their opposing school(s).

CaSSSA Zero Tolerance Threshold

The zero tolerance symptoms for the threshold are:

- Fever
- Sore throat
- Continuous cough or sneezing
- Extreme nasal or chest congestion.

All CaSSSA Schools are expected to introduce and communicate the CaSSSA zero tolerance threshold to all staff, coaches, students and families so that students who exhibit any one of the symptoms listed refrain from attending any CaSSSA events.

CaSSSA Return to Sport Plan

Field Sports: Touch, Football & Hockey

Anticipated Return Date	Stage 3 or later – 2nd September 2020
Venues	School and non-school venues
Return Format	COVID – Modified rules

Restrictions Stage (Appendix A)	Restrictions and Controls (Based on “Return to Play – Guide for Queensland sport, recreation and fitness industries)
Stage 3	<ul style="list-style-type: none"> • Return to standard sporting activity • Maximum of 100 people (including participants, trainers, spectators and other persons involved / around the gathering), unless approved under Industry COVID Safe Plan) • Games scheduled to ensure no co-mingling between participants • Changed behavior standards, i.e. no high-fives, team huddles or hand shaking • Sharing equipment permitted, with cleaning regimes in place. • Warm-up period reduced or conducted off-field • Sign-in systems will be put in place to track and trace participants and spectators • Arrival and exit points altered where necessary for safe and separate passages for entry and exit • Signage to explain control measure • Hand sanitisers, adequate hand washing facilities and additional cleaning provided at playing venues • Restricted use of communal facilities (i.e. showers, change rooms), toilets only • Social distancing of 1.5m between spectators, and density of 1 person per 4m squared, with separate off-field areas for viewing. • Parents encouraged to limit spectating as directed by the Management Committee • Assessment of venue COVID-1`9 management strategies in place, as per CaSSSA Venue WHS Inspection Checklist (Appendix D)

Cross Country

Anticipated Return Date	Monday 17 th August & Friday 21 st August
Venues	Schools (training) & Non-Schools (Competition)
Return Format	Normal Rules

Restrictions Stage (Appendix A)	Restrictions and Controls (Based on "Return to Play – Guide for Queensland sport, recreation and fitness industries")
Stage 3	<ul style="list-style-type: none"> • Return to standard sporting activity • Maximum of 500 people (including participants, trainers, spectators and other persons involved / around the gathering), unless approved under Industry COVID Safe Plan) • Staggered start-times to avoid the perception of mass gathering • Changed behaviour standards, i.e. no high-fives, team huddles or hand shaking • Warm-up periods reduced or conducted off-field • Sign-in systems will be put in place to track and trace participants and spectators • Arrival and exist points altered where necessary for safe and separate passages for entry and exit • Signage to explain control measures • Hand sanitisers, adequate hand washing facilities and additional cleaning provided at venues • Restricted use of communal facilities (ie. showers, change rooms), toilets only • Social distancing of 1.5m between spectators, and density of 1 person per 4m², with separate off- field areas for viewing • Parents encouraged to limit spectating as directed by the Management Committee • Assessment of venue COVID-19 management strategies in place, as per CaSSSA Venue WHS Inspection Checklist (Appendix D)

Court Sports: Basketball and Netball

Anticipated Return Date	Stage 3 or later – 2nd September 2020
Venues	School and non-school venues
Return Format	COVID – Modified rules

Restrictions Stage (Appendix A)	Restrictions and Controls (Based on "Return to Play – Guide for Queensland sport, recreation and fitness industries")
Stage 3	<ul style="list-style-type: none"> • Return to standard sporting activity • Maximum of 100 people (including participants, trainers, spectators and other persons involved / around the gathering), unless approved under Industry COVID Safe Plan) • Games scheduled to ensure no co-mingling between participants • Changed behavior standards, i.e. no high-fives, team huddles or hand shaking • Sharing equipment permitted, with cleaning regimes in place. • Warm-up period reduced or conducted off-court • Sign-in systems will be put in place to track and trace participants and spectators • Arrival and exit points altered where necessary for safe and separate passages for entry and exit • Signage to explain control measure • Hand sanitisers, adequate hand washing facilities and additional cleaning provided at playing venues • Restricted use of communal facilities (i.e. showers, change rooms), toilets only • Social distancing of 1.5m between spectators, and density of 1 person per 4m squared, with separate off-field areas for viewing. • Parents encouraged to limit spectating as directed by the Management Committee • Assessment of venue COVID-19 management strategies in place, as per CaSSSA Venue WHS Inspection Checklist (Appendix D)

T10 Cricket Carnival

Anticipated Return Date	Sunday 23 rd August
Venues	Non-School Venues
Return Format	COVID – Modified rules

Restrictions Stage (Appendix A)	Restrictions and Controls (Based on “Return to Play – Guide for Queensland sport, recreation and fitness industries)
Stage 3	<ul style="list-style-type: none"> • Return to standard sporting activity • Maximum of 100 people (including participants, trainers, spectators and other persons involved / around the gathering), unless approved under Industry COVID Safe Plan) • Games scheduled to ensure no co-mingling between participants • Changed behavior standards, i.e. no high-fives, team huddles or hand shaking • Sharing equipment permitted, with cleaning regimes in place. • Warm-up period reduced or conducted off-field • Sign-in systems will be put in place to track and trace participants and spectators • Arrival and exit points altered where necessary for safe and separate passages for entry and exit • Signage to explain control measure • Hand sanitisers, adequate hand washing facilities and additional cleaning provided at playing venues • Restricted use of communal facilities (i.e. showers, change rooms), toilets only • Social distancing of 1.5m between spectators, and density of 1 person per 4m squared, with separate off-field areas for viewing. • Parents encouraged to limit spectating as directed by the Management Committee • Assessment of venue COVID-19 management strategies in place, as per CaSSSA Venue WHS Inspection Checklist (Appendix D)

COVID-19 Risk Assessment

Identifiable Risks / Hazards	Likelihood			Consequence				Proposals to Respond to Perceived Risks	Level of Risk			
	Unlikely	Possible	Likely	Minor	Moderate	Major	Catastrophic		Low	Medium	High	Unacceptable
A student, staff member or coach of a member School tests positively for COVID- 19.	Possible			Major				<p>Member Schools will: will immediately seek and follow the directions of Queensland Health and other relevant authorities. Assist and comply with regards to directions of relevant authorities to identify contacts of a confirmed case. Compile an infection control checklist for the School.</p> <p>CaSSSA will: Confer a meeting of the CaSSSA Board. Take appropriate action regarding the ongoing sporting competition draws regarding the affected member school and directions from Health authorities regarding actions to be taken by competing schools. The CaSSSA Chair / EO will notify other schools of the matter and the decision by the CaSSSA Board.</p>	High			

Identifiable Risks / Hazards	Likelihood			Consequence				Proposals to Respond to Perceived Risks	Level of Risk			
	Unlikely	Possible	Likely	Minor	Moderate	Major	Catastrophic		Low	Medium	High	Unacceptable
A member School is closed for a designated period because of a confirmed case of COVID-19.	Possible			Major				<p>Member Schools will:</p> <ul style="list-style-type: none"> Seek advice and information from Queensland Health, Australian Government Department of Health and the Department of Education and Training on what considerations should be made for their community. Notify the CaSSSA Chair / EO of the situation and actions needed to be taken. <p>CaSSSA will:</p> <ul style="list-style-type: none"> The EO will Confer a meeting of the CaSSSA Board to discuss the situation of the member school. The EO, in consultation, with relevant Sports Coordinators make changes to the sporting draw over the length of closure and replace the school with a 'bye' round. Changes to be considered to the overall draw if more than one school is affected at the same time. In the case of multiple closures, the CaSSSA Board would determine if the sport will continue for the full season. 	High

Directive from Queensland Health or another relevant authority to cancel CaSSSA fixtures for designated period (Logistical Risk)	Possible			Major				<p>The School will:</p> <ul style="list-style-type: none"> • Publish the CaSSSA Communication Statement to their community in a timely manner. • Refrain from making any statements to media outlets or social media sites so that there is a common message from CaSSSA. <p>CaSSSA will:</p> <ul style="list-style-type: none"> • CaSSSA Chair and EO will seek advice and information from the relevant government and educational bodies on relevant information to be communicated to member school communities. • CaSSSA Chair and EO will formulate a statement to be disseminated to all School communities explaining why the fixtures have been cancelled and what other actions will be taken by the association. • CaSSSA Board will confer to the Sports Coordinators to develop a revised plan for fixtures after the cancellation period has expired, if possible and reasonable. 	High			

Identifiable Risks / Hazards	Likelihood			Consequence				Proposals to Respond to Perceived Risks	Level of Risk			
	Unlikely	Possible	Likely	Minor	Moderate	Major	Catastrophic		Low	Medium	High	Unacceptable
Media reports of a coach, student player or official has returned a positive test for COVID-19 (Reputational Risk)	Possible			Moderate				<p>The School will:</p> <ul style="list-style-type: none"> School Principal of member school contact the CaSSSA Chair to notify of situation. Member school to refrain from direct contact with media and use CaSSSA communications company as intermediary. <p>CaSSSA will:</p> <ul style="list-style-type: none"> Appoint a communications company to assist with media advice and responses. CaSSSA Chair and EO will develop an informative response in consultation with the appointed communications company and disseminate it to all member School Principals for distribution to their communities. Ensure that there is a common understanding about the situation and that CaSSSA is complying with all directives from the relevant authorities. 	Medium			

Appendix A – Roadmap to Erasing Queensland’s (COVID-19) Restrictions

Roadmap to easing Queensland’s restrictions A step-down approach to COVID-19

Unite against COVID-19

CONTINUING CONDITIONS • Social distancing, 1.5 metres and hygiene • Stay at home if you’re sick • Tracking, tracing, rapid response • Work at home if it works for you and your employer

EASING TO DATE

STAGE 1: 15 MAY 2020 (4 weeks)

STAGE 2: 12 JUNE 2020 (4 weeks)

STAGE 3: 10 JULY 2020

SCHOOLS PLAN

11 May Kindy, Prep Years 1, 11, 12

25 May Years 2–10

School holidays (27 Jun–12 Jul)

Family, friends and community

- › Gatherings in homes (household + 2 visitors from the same or different households, or up to 5 visitors from the same household)
- › Household or one friend and within 50 kms of home for recreational purposes:
 - › go for a drive
 - › have a picnic
 - › visit a national park
 - › go fishing, boating or jet-skiing

Retail shopping

- › Allowing retail shopping for non-essential items within 50 kms of home

Schools

- › Gradual return to class
- › 11 May: Kindy, Prep and Years 1, 11 and 12
- › 25 May: Years 2–10.

Family, friends and community

- › Gatherings in homes (household + max 5 visitors, allowed from separate households)
- › Gatherings of up to 10 people:
 - › outdoor, non-contact activity
 - › personal training
 - › pools (indoor and outdoor)
 - › public spaces and lagoons* (e.g. South Bank Parklands, Cairns, Airlie Beach etc)
 - › parks, playground equipment, skate parks and outdoor gyms
- › libraries
- › weddings
- › hiking and other recreational activities in national and state parks
- › places of worship and religious ceremonies
- › Funerals (max 20 indoors or 30 outdoors)
- › Recreational travel (max 150 kms within your region for day trips)

Businesses and economy

- › Retail shopping
- › 10 people permitted at any one time for:
 - › dining in (with COVID SAFE Checklist): restaurants, cafés, pubs, registered and licensed clubs, RSL clubs and hotels – no bars or gaming
 - › open homes and auctions
 - › beauty therapy and nail salons (with COVID SAFE Checklist)

Outback†

- › Dining in (with COVID SAFE Checklist): restaurants, cafés, pubs, registered and licensed clubs, RSL clubs and hotels (max 20 at any one time) for locals only (must show proof of residence) – no bars or gaming
- › Recreational travel including overnight accommodation max 500 kms within the outback only if you live in the outback.

Family, friends and community

- › Gatherings of up to 20 people:
 - › homes
 - › public spaces and lagoons (e.g. South Bank Parklands, Cairns, Airlie Beach etc)
 - › non-contact indoor and outdoor community sport
 - › personal training
 - › gyms*, health clubs* and yoga studios*
 - › pools (indoor and outdoor) and community sports clubs
 - › museums, art galleries and historic sites
 - › weddings
 - › parks, playground equipment, skate parks and outdoor gyms
 - › libraries
 - › hiking, camping and other recreational activities in national and state parks
 - › places of worship and religious ceremonies
- › Funerals (max 50)
- › Recreational travel, camping and accommodation, including caravan parks (max 250 kms within your region)

Businesses and economy

- › Retail shopping
- › 20 people permitted at any one time for:
 - › dining in (with COVID SAFE Checklist): restaurants*, cafés*, pubs*, registered and licensed clubs*, RSL clubs*, hotels* and casinos* – no bars or gaming
 - › indoor cinemas
 - › open homes and auctions
 - › outdoor amusement parks*, tourism experiences*, zoos* and arcades*
 - › concert venues*, theatres*, arenas*, auditoriums* and stadiums*
 - › beauty therapy, nail salons, tanning, tattoo parlours and spas (with COVID Safe Checklist)
- › **School holidays – drive holiday in your region – Queenslanders backing Queensland**
- › Tourism accommodation

Outback*†

- › Dining in (with COVID Safe Checklist): restaurants*, cafés*, pubs*, registered and licensed clubs*, RSL clubs* and hotels* (max 50 at any one time) for locals only (must show proof of residence) – no bars or gaming
- › Recreational travel within the outback only if you live in the outback.

Subject to further planning and review, interstate and further intrastate travel will be permitted and a maximum of 100 people will be permitted for:

- › gatherings in public spaces and homes
- › dining in: restaurants, cafés, pubs, registered and licensed clubs, RSL clubs, food courts and hotels
- › indoor cinemas
- › places of worship and religious ceremonies
- › museums, art galleries and historic sites
- › pools and community sports clubs
- › community sport
- › gyms, health clubs and yoga studios
- › outdoor amusement parks, zoos and arcades
- › concert venues, theatres, arenas, auditoriums and stadiums
- › weddings
- › funerals
- › saunas and bathhouses

Appendix B – AIS National Principles for the Resumption of Sport and Recreation Activities

NATIONAL PRINCIPLES FOR THE RESUMPTION OF SPORT AND RECREATION ACTIVITIES

1. Resumption of sport and recreation activities can contribute many health, economic, social and cultural benefits to Australian society emerging from the COVID-19 environment.
2. Resumption of sport and recreation activities should not compromise the health of individuals or the community.
3. Resumption of sport and recreation activities will be based on objective health information to ensure they are conducted safely and do not risk increased COVID-19 local transmission rates.
4. All decisions about resumption of sport and recreation activities must take place with careful reference to these National Principles following close consultation with Federal, State/Territory and/or Local Public Health Authorities, as relevant.
5. The AIS 'Framework for Rebooting Sport in a COVID-19 Environment' provides a guide for the reintroduction of sport and recreation in Australia, including high performance sport. The AIS Framework incorporates consideration of the differences between contact and non-contact sport and indoor and outdoor activity. Whilst the three phases A, B and C of the AIS Framework provide a general guide, individual jurisdictions may provide guidance on the timing of introduction of various levels of sport participation with regard to local epidemiology, risk mitigation strategies and public health capacity.
6. International evidence to date is suggestive that outdoor activities are a lower risk setting for COVID-19 transmission. There is no good data on risks of indoor sporting activity but, at this time, the risk is assumed to be greater than for outdoor sporting activity, even with similar mitigation steps taken.
7. All individuals who participate in, and contribute to, sport and recreation will be considered in resumption plans, including those at the high performance/professional level, those at the community competitive level, and those who wish to enjoy passive (non-contact) individual sports and recreation.
8. Resumption of community sport and recreation activity should take place in a staged fashion with an initial phase of small group (<10) activities in a non-contact fashion, prior to moving on to a subsequent phase of large group (>10) activities including full contact training/competition in sport. Individual jurisdictions will determine progression through these phases, taking account of local epidemiology, risk mitigation strategies and public health capability.
 - This includes the resumption of children's outdoor sport with strict physical distancing measures for non-sporting attendees such as parents.
 - This includes the resumption of outdoor recreational activities including (but not limited to) outdoor-based personal training and boot camps, golf, fishing, bush-walking, swimming, etc.
9. Significantly enhanced risk mitigation (including avoidance and physical distancing) must be applied to all indoor activities associated with outdoor sporting codes (e.g. club rooms, training facilities, gymnasias and the like).
10. For high performance and professional sporting organisations, the regime underpinned in the AIS Framework is considered a minimum baseline standard required to be met before the resumption of training and match play, noting most sports and participants are currently operating at level A of the AIS Framework.
11. If sporting organisations are seeking specific exemptions in order to recommence activity, particularly with regard to competitions, they are required to engage with, and where necessary seek approvals from, the respective State/Territory and/or Local Public Health Authorities regarding additional measures to reduce the risk of COVID-19 spread.
12. At all times sport and recreation organisations must respond to the directives of Public Health Authorities. Localised outbreaks may require sporting organisations to again restrict activity and those organisations must be ready to respond accordingly. The detection of a positive COVID-19 case in a sporting or recreation club or organisation will result in a standard public health response, which could include quarantine of a whole team or large group, and close contacts, for the required period.
13. The risks associated with large gatherings are such that, for the foreseeable future, elite sports, if recommenced, should do so in a spectator-free environment with the minimum support staff available to support the competition. Community sport and recreation activities should limit those present to the minimum required to support the participants (e.g. one parent or carer per child if necessary).
14. The sporting environment (training and competition venues) should be assessed to ensure precautions are taken to minimise risk to those participating in sport and those attending sporting events as spectators (where and when permissible).
15. The safety and well-being of the Australian community will be the priority in any further and specific decisions about the resumption of sport, which will be considered by the COVID-19 Sports and Health Committee.

SAFE REBOOT OF SPORT

ANY DECISIONS ON TIMING OF RETURN TO TRAINING AND/OR COMPETITION MUST BE GUIDED BY YOUR STATE OR TERRITORY PUBLIC HEALTH REGULATIONS

'Get in, train and get out'

If you can do it at home, do so

Wherever possible, keep your social distancing of at least 1.5m

Keep numbers small during training

Keep change rooms clean or change at home

No high-5s, dance it out instead

Spectators should spread out and maintain social distance

Follow good hand hygiene

Appendix C – Australian Government – COVID-19 Symptoms

Coronavirus
(COVID-19)

COVID-19: IDENTIFYING THE SYMPTOMS

SYMPTOMS	COVID-19	COLD	FLU
	Symptoms range from mild to severe	Gradual onset of symptoms	Abrupt onset of symptoms
Fever 	Common	Rare	Common
Cough 	Common	Common	Common
Sore Throat 	Sometimes	Common	Common
Shortness of Breath 	Sometimes	No	No
Fatigue 	Sometimes	Sometimes	Common
Aches & Pains 	Sometimes	No	Common
Headaches 	Sometimes	Common	Common
Runny or Stuffy Nose 	Sometimes	Common	Sometimes
Diarrhea 	Rare	No	Sometimes, especially for children
Sneezing 	No	Common	No

Appendix D – CaSSSA Inspection Checklist

CaSSSA Venue WHS Inspection Checklist	
Venue:	
Sport:	Fixture / Game Reference:
Completed By:	Date :

Aspect	 Yes  No	Further Action Required / Comments
Are sporting fields / court surfaces in good repair?	<input type="checkbox"/>	
Are fences and gates on sporting fields / courts in good condition? E.g. free of holes that might allow a ball to be projected onto a roadway or other area)	<input type="checkbox"/>	
Is sporting infrastructure in good repair (e.g. swimming pools, goal posts, umpires chairs. Basketball backboards)	<input type="checkbox"/>	
Are access and traffic management arrangements safe and suitable?	<input type="checkbox"/>	
Is there sufficient access to toilets and dressing rooms?	<input type="checkbox"/>	
Is there sufficient access to drinking water (or have participants brought sufficient supplies with them)?	<input type="checkbox"/>	
Is there adequate access to shade or shelter (including portable shelter, gazebos etc.)	<input type="checkbox"/>	
Are adequate first aid personnel in attendance?	<input type="checkbox"/>	
Are adequate first aid supplies and equipment available?	<input type="checkbox"/>	
Are emergency plans in place, including a decision framework for cancellation of events in inclement weather?	<input type="checkbox"/>	

Aspect	 Yes  No	Further Action Required / Comments
Are surrounding gardens, trees and other structures in a safe condition (e.g. not overhanging or in a state of deterioration)?	<input type="checkbox"/>	
Are participants using any required safety equipment for the sport being played? (e.g. helmet, mouth guard, head gear)	<input type="checkbox"/>	
Is the manner in which the sport is being played consistent with the applicable CaSSSA by- laws (including spectator actions)?	<input type="checkbox"/>	
Are any umpires or referees being used appropriately licensed and/or qualified?	<input type="checkbox"/>	
Are there adequate facilities for disposal of generate waste (or arrangements in place to take it off site at completion)?	<input type="checkbox"/>	
If any electrical equipment is being used, is it tested and tagged and connected to a power supply protected by a safety switch?	<input type="checkbox"/>	
If any construction or similar work is being undertaken in the area, is it completely fenced off and inaccessible?	<input type="checkbox"/>	
Social distancing requirements be observed (i.e. 1.5 metres between people not involved in sports, density of 1 person per 4m squared , separate entrance and exits)	<input type="checkbox"/>	
Restrictions in place to limit number of attendees to 100 maximum (unless an approve COVID Safe Plan is being followed)	<input type="checkbox"/>	

Aspect	✓ Yes ✗ No	Further Action Required / Comments
Cleaning/sanitising regimes in place	<input type="checkbox"/>	
Personal hygiene facilities and products available (i.e. soap, water, hand sanitiser)	<input type="checkbox"/>	
Attendance registers of participants and spectators kept.	<input type="checkbox"/>	
COVID-19 instructional signage displayed (similar to that in Appendix B and C)	<input type="checkbox"/>	
There shall be no canteen facilities available during COVID plan	<input type="checkbox"/>	
Excess furniture/seating removed to discourage gathering of groups	<input type="checkbox"/>	
Details of any other hazards or issues noted:
