Basketball – Around the Grounds

6A

The 6A boys travelled to Padua for a tough game. The boys started well and were able to execute their full-court press and force Padua into a number of turnovers. Unfortunately, the boys were not able to convert on some easy layups which meant their lead was short lived. Resilience, ball movement and help-defence will be a goal for the boys as they head into their game against Iona and their debut at the CBSQ 3v3 Tournament this week.

6B

A very good game for the boys this week. Each player on the court began to find their purpose and put what we have been learning into play. Unfortunately, a little break in our strong defence during the 3rd quarter was tough to come back from. This being said the boys really dug deep and came back from an 11-point deficit to tie things up with only 30 seconds to go. Very exciting stuff. Well done to the whole team for a fantastic effort. I know if we can stay consistent and put our hard work from training into practice during the game for its entirety that we will get the win next week. Congrats to Billy Towers on his MVP effort as top scorer!

6C

A difficult game for the 6C team this week. A big loss to a team that in reality, should not have been that far ahead. We need as a team to remember to stay on our players at ALL times in defence and to learn to play to the referee's whistle ... and if calls are not going our way, to shake it off and focus on the one thing we can control - our own game. On a positive note, Will Webster played a blinder - he was everywhere in both offense and defence, and his great performance was even commented on by the opposition coach. Harry Player also had a great game, bringing the ball down the court in timely fashion and once placing himself in excellent position to receive a well-thrown outlet pass from Nick Steffens leading to an easy 2-point lay-up. Funnily enough something we had practised at training just this week. We need to move on from this game lads and get ready for another big one against Iona this week.

6D

Ryan Williams and Berrick Barlow led the way from the first touch of the ball with wonderful defence and attacking play under the basket. In a tightly contested match it all came down to the last basket to clinch a 2-point win against an aggressive Padua team. Congratulations to all the boys on a wonderful team effort.

5A

After a week off the boys came back excited to play which was evident in the game this week. The boys came out the gates with heaps of energy and enthusiasm and in spite of being down 10 points at half time it took a whole team effort to bring the game back to a draw. Shoutout to Josh McLean who hit the final bucket of the game putting us up by 2 and winning the game. It's been a while since we have played a game at the standard we showed on Friday and hopefully with more focus at training we can build more upon this.

5B

A much-improved game from the 5Bs in spite of the 26-16 loss. The Padua team moved the ball very well and was more aggressive looking for rebounds. Very happy with the effort, we have much work to do to get our skills up to speed

5C

The 5Cs were hungry for their first win of the season and it showed with their energy and intensity during a very strong first half, with Marist taking a narrow lead into the main break. Padua lifted their game during the third quarter with the lead going back and forth. Matt Dillane scoring fast break points and Tom Nicoletti going 100% from the line were highlights. The last quarter followed similar fashion with the Marist boys giving their all until the final buzzer. Unfortunately, with the score tied at 15-15 all, Padua made a last second shot to win the game.

5D

The 5Ds were looking for their first win of the season and looking to come out firing after the Ekka break. Padua led early with 2 baskets and Marist responded quickly firstly through Ethan Moody and then Andy Robbins.

Padua had a dream 3rd quarter and got out to a 16-4 lead. A last quarter basket was a late consolation as Padua defeated Marist 18-6.
