WHAT'S BEEN HAPPENING AT

O.S.H.C?

Dear Families!

We hope you are all well and enjoying returning to the school routines. We have some exciting things planned for each week and we cannot wait to share them with you.

Firstly, a massive welcome to all of our Prep students. We are so excited to see them at Big Child Care and cannot wait to see how they will grow and develop different skills and talents!

At Big Child Care, we believe in creating an environment where children feel safe, confident, and secure in who they are as individuals. The way we accomplish this is through the fun games and activities that we plan on a weekly basis. These activities are created through your children's thoughts, interests, and suggestions. Each activity has a different skill focus or learning outcome to expand children's knowledge.

We have some staff changes. Unexpectedly our Manager Azu took over another Big childcare service, and you will still see her occasionally at Barwon. Fathima will replace Azu and she has seven years of experience with a diploma qualified.

Reminders:

- ✓ Please notify us by SMS when you need extra bookings or when your child won't be attending the BSC or ASC session.
- ✓ Please make sure you sign in and out on the iPad at the sign-in table.
- ✓ Reminder, we do have a non-communication fee that can be applied any time when we are not notified of changes to your bookings; Like picking up your child directly from school or if you drop them off without booking them in.

HOLIDAY CARE

Our booking platform has been updated to Xap. If your children are currently attending but have not yet been enrolled on the new platform, please do so as soon as possible. By clicking the link, you can enroll
