What's up at Kelly Club?

What's been happening?

Last week was packed with energy, strategy, and teamwork across a range of activities. The soccer games brought fast-paced action and great collaboration on the field, while the chess matches tested focus and sharp thinking with every move. Tennis competitions showcased skill and determination, with players pushing themselves in every rally. Meanwhile, the relay races highlighted speed, coordination, and team spirit, making for an exciting and memorable week all around.

These experiences support the **My Time, Our Place outcomes**, helping children build confidence, friendships, wellbeing, creativity and communication skills in a safe and inclusive environment. We continue to prioritise **Child Safe Standards**, ensuring every child feels supported, heard and secure while having fun.
