Frankenstein

Dear Students and Families,

You are invited to a free live theatre event.

The National Theatre have released several of their sell out productions to the public during this time of COVID 19.

We have been studying Frankenstein by Mary Shelley this term and learning about Gothic Literature. In 2018 it was the 200th anniversary of Shelley's famous novel.

Frankenstein is being streamed from 1 May until 8 May. It stars Benedict Cumberbatch and Jonny Lee Miller and was directed by Academy Award winner Danny Boyle (Trainspotting, Slumdog Millionaire). We invite you to make the most of this opportunity to watch an excellent production of Frankenstein. This will add value to the students understanding of the text and Gothic fiction in general.
