## Around the Grounds

### 6A

After a slow start to the game, the boys showed plenty of grit and Marist spirit to tighten the match up at the half. Unfortunately, Laurie's kicked away in the final term, but there's plenty that we can learn from the game. A big shout out has to go to Eamonn Reeves "the human wrecking ball"; fearlessly crashing into every contest.

### 6B

The Marist boy's enthusiasm was displayed numerous times throughout the match, which led to a great comeback in the first half. Unfortunately, the lads were a bit rusty towards the end of the game. Charlie Campion was great today scoring a few goals while Archie Ross and William Thomas were superb with their tackling today.

### 6C

After a short mid-season break the 6Cs were back and firing to go. The game was goal for goal for the first two quarters then as the opponents tired, Marist pulled ahead winning their first game 33-16.

## 5A

Both teams started slowly with no goals until the second quarter. The boys tackled relentlessly resulting in more attacking opportunities. A third quarter surge from Laurie's gave them the upper hand, but some late goals saw Marist take the win.

## 5B

The boys played an outstanding team orientated game today which was great to see after the long break. Over half of the team scored a goal which was fantastic. Sonny Spencer's amazing 2 bounce goal on the run and James Stigter's exceptional ruck work and shepherding were certainly highlights of the match. Looking forward to finishing off the season strong.

## 5C

In what was a very rough and scrappy game, the boys showed their poise by taking the game away from St Laurence's in a very physical contest. Excellent efforts from all the boys, without any subs, saw the team keep Laurie's goalless and walk away with a win.
