

Japanese Term 4, 2019

いただきます (Itadakimasu)

This term, Prep children will learn about “Food” and Grade 1-6 children will continue learning about “Shopping & Food”. All students will keep learning how to read and write Japanese letters, Hiragana.

Prep students will learn about Japanese traditional food, and compare them to both Australian and international food. They will present their favorite food with some simple sentences in Japanese.

Grade 1-6 students will learn about shopping culture in Japan and we will also discuss some differences between Australia and Japan.

And they will create a recipe book and restaurant menu with some Japanese words and sentences, and present them in the class.

Also Grade 5 and 6 students will keep participating in “Palaygo” which is a web-based language learning and communication program. Grade 4 also will start making many Japanese friends and practice their communication skills and Japanese language skills in “Palaygo”.
