

Returning to School

A social story about returning to school after remote learning

For a term and a half, children at my school have been learning remotely from home.

This is because of COVID-19 people have stayed at home as much as possible to stop the virus spreading.

In Term 4, children at my school will return to school in Week 3 if I am in Kindergarten or Year 1 and in Week 4 if I am in other grades. When I return to school, my teacher will be there. The children in my class will be there too.

Teachers will do all they can to keep you safe:

- There is hand sanitizer outside my classroom.
- My teachers and friends will regularly sanitise their hands.
- My friends and teachers will practice social distancing and give me personal space.

Our school is clean and safe!

Some things at school will be the same

- I will be in the same classroom.
- My teacher will be there.
- Mrs. Charadia, Mr. A and all of the other teachers will be there too.
- I will play on the playground during break 1 and 2.
- I will be learning Religion, Reading, Writing and Maths.

Some things will be different

- I will return to school with my grade and learn in my classroom.
- My classroom friends will return the same day as me.
- I will use my water bottle instead of using the bubbler.
- The teachers will be wearing masks.
- Some children might be wearing masks also.
- I will play on the playground during break 1 and 2

Feeling worried

I might be worried about getting sick or not remembering what I have learned. All of these feelings are OK. Lots of people might be feeling this way.

If I am worried about returning to school, I can let my teacher or my parents know. I can say “ I feel worried. Can you help me?”.

Although there is still COVID-19, my school and teachers are doing all they can to keep me safe.
