# 2024 PRESIDENTS MESSAGE .....

The Cobram Agricultural Society would like to welcome all visitors, exhibitors, competitors, judges and volunteers to our 123rd Annual Show.

We are so excited about this year's show, and have so much on offer! Our main attraction is the Eljay-Randy's Junkyard Motorbike Show, a world class act offering fully choreographed stunt show, guaranteed to wow their crowds. On Saturday we have the Mechanical Bucking Bull to test how many of our local cowboys and cowgirls can stay on this fearsome beast and provide a few giggles for the audience when they fall off! On Sunday we have the team from Sandy Creek Clydesdales. Rides will be available on carts pulled by these gentle giants and the Team will display their blacksmithing techniques. Irene's Cartoon Portraits will be canvassing her work throughout both days and in the Michel Pavilion we have facepainting and mermaid braids for the kids. Combined with our Pet Parade, you can see why we are super excited about the Cobram Show in 2024.

Of course, none of this could be possible without our volunteers who give up their time throughout the course of the year to ensure that we are able to put on the best two-day show possible. There are so many volunteer hours that go into creating the Cobram Show and I would like to say thank you to each and every one of you for all you do. We are always looking for more members to join us, so if you are interested in joining the team please get in touch with us.

Secondly, a huge thank you to our Sponsors. Our two-day show is very expensive to run each year. And we are very fortunate to have generous businesses and individuals who support our wonderful event every year. We couldn't do it without them, and we appreciate everything they do whether its products, services or monetary assistance. We understand how tough it is out there, especially this year and for those still happy to dig deep and support us, truly means the world to us. The best way you can support our sponsors is to go and use their services and spend local!

*Jodie Wilson*

Teams compete in a series of skills-based challenges related to farming with a strong emphasis on technique and safety. Competitors are asked to do their best to complete the challenges correctly against the clock, as well to focus on safety, and most importantly, enjoy the competition and provide entertainment to the audience.
