

What can you do to help?

- Although later bookings are usually available, we have started get more popular. The best way to avoid disappointment is to book early, so staff and resources are available.
- Please ensure enrolment details are up to date. Including any address changes, dietary requirements, medical updates, additional needs, approved people to pick up children, etc... it only helps us ensure the best care is provided.
- If you are not sure how photos are used in the service, please ask! Photo permissions have recently had a rewording, so if you would like to see photos of your children in this newsletter please have a look at your permissions.
- As we are in Term 4 now with higher UV ratings, especially in the afternoon, the "No Hat, No Play" is in place. Please either provide a separate hat or remind children to bring their hats from class. We also have a sunscreen station, although feel free to bring your own.

Pupil Free Days

Monday 3rd November

Just a reminder that TheirCare bookings are available on this day, from 7am to 6pm.

We are closed on the Tuesday 4th November.

There is another PFD coming up on the 26th November.

Trick or Treat!

This seems to be the only time of year that some people forget we shouldn't take candy or sweets from strangers! Stay safe out there! If you would like to come through our service on the way out of school this Friday, there may be a small treat for you!

Well done to everyone who tried it!
YUM!

We recently did a cooking activity! Learning about food safety, and fire safety, while cooking Gnocchi! It was fun and exciting getting to cook our own food!

This stretchy sensory sand is great for calming, and also just really fun to play with!

We have recently received some kits for advanced box construction. It even has a safety saw which won't cut fingers, but easily cuts cardboard!

This is part of improving our sustainability policy, re-using the cardboard we get from Woolies deliveries, and around the school!

I wonder what ideas they'll come up with?

Theircare
Where Kids love to be!

TERM 4

MENU

St Michael's Ashburton

November 2025

Under the National Quality Framework healthy eating is important to every child's wellbeing and development. Quality Area 2 of the National Quality Standards (2.1.3) specifies promoting healthy eating for each child.

Each day for breakfast, we have a selection of cereals, like **Weetbix**, **Rice Bubbles**, **Cornflakes**, **Nutrigrain**, and also a selection of spreads for toast, like **Nuttelex**, **Vegemite**, **Strawberry Jam**, **Apricot Jam**, **Orange Marmalade**.

Each day for afternoon tea, we have a selection of fruit, like **Apples**, **Oranges**, **Bananas**, **Kiwi**, **Pears**, **Watermelon** and also a selection of fresh veggies, like **Cucumber**, **Celery**, **Tomato**, **Carrot**, **Capsicum**, **Lettuce**.
